FOREWORD

AS we write these lines in the fateful year of Nineteen Hundred and Forty-Five, a year of tremendous importance and decision, many of Harrison's finest sons are fighting in the cause of personal freedom and dignity over the reaches of the universe: in far-flung lands, over the seven seas, and in the mist-wrapped vastness of the seven skies. And over these lands and seas and in these skies has broken the golden dawn of their full victory and ours, a victory that will warm, like the high-noon sun, the weary hearts and sinews of men and nations.

May the pages of our Harrisonian reflect a sphere wherein the individual has importance and opportunity, so that we may, in our world, be attuned with the spirit of theirs.

Dedication

To our Seniors, who face so gallantly the new universe, this Harrisonian is affectionately dedicated. Our hope for you is of course happiness in a happy world.

May you be deeply aware that your future as an individual of dignity and worth in a free land has been dearly bought by our country's finest lives, and that it is a future which eminently belongs to Youth.

TO EACH
GOLD STAR

You
Whose every thought was filled with life
And joy, and hope, and confidence,
Have given—in the fierce sharp pang of battle,
In the vastness of the raging sea,
Or in a swift hurtling from the blue sky
Into the reaching arms
Of clouds, of air, and earth—
Have given
A life.

A life.
And we, who stand and sadly think about
The endearing ways you had
The plans and dreams that were a part of you,
We will not lightly take the gift you gave,
The gift of life that we might live in freedom,
But eyes turned upward to the star-filled sky,
We know we must pursue, in this our life,
The honorable and true.

It is our fervent wish that the blue
stars in our Service Flag may remain the
blue of the living, and that, after the long
night of battle, each valiant fighting man
and his loved ones shall soon greet,
with minds and hearts filled with
happiness and hope, the rose-hued

Dawn of Victory and Peace!

**THE PRINCIPAL'S
MESSAGE
TO THE
GRADUATES**

*T*O me there is a special significance in the dedication of this Harrisonian to you Seniors. You are graduating at a time when our country is facing the dawn of a new era, and America has great need of you. Yours is the responsibility of using your talents, education, enthusiasm, and ordered energies, not only in carrying out your own destinies, but

in attempting to fill, in some measure, the place of the valiant dead.

May you meet this challenge with a fine high spirit, and may America and Harrison continue to be proud of you.

ATTENDANCE OFFICE

The present Attendance Office was established after an investigation of the methods used elsewhere for keeping boys and girls in high school. The best features of the other systems were incorporated into the one in use at Harrison.

On file for each student is a four year cumulative record of absence, tardiness, early dismissals, class cuts, and interviews with the parents.

DISCIPLINE COUNSELOR AND OFFICE AID

The Discipline Counselor and Office Aid handles discipline problems referred to him by faculty members, assigns substitutes to class rooms when teachers are absent, assigns lockers to divisions, issues visitors passes, registers incoming student's except 1B's, and assigns them to divisions and classes.

THE SUPERINTENDENT OF SHOPS

The newly appointed Superintendent of Shops and Drawings assists the technical teacher, the principal, and the Director of Vocational Education; he is concerned with the equipment, supplies, and repairs of the shops, tool-rooms, and drawing-rooms.

DEVELOPMENTAL READING CO-ORDINATOR

It has been said that, "A chain is no stronger than its weakest link." Likewise, the printed page is no more effective, regardless of content, than the ability of the reader to comprehend the subject matter presented. To increase the reading efficiency of our students, a problem prevalent in every corner of the world, the administration of the Chicago public schools has initiated a developmental reading program. It provides for definite instruction in the skills of reading and growth in reading interests at all levels and in all subjects.

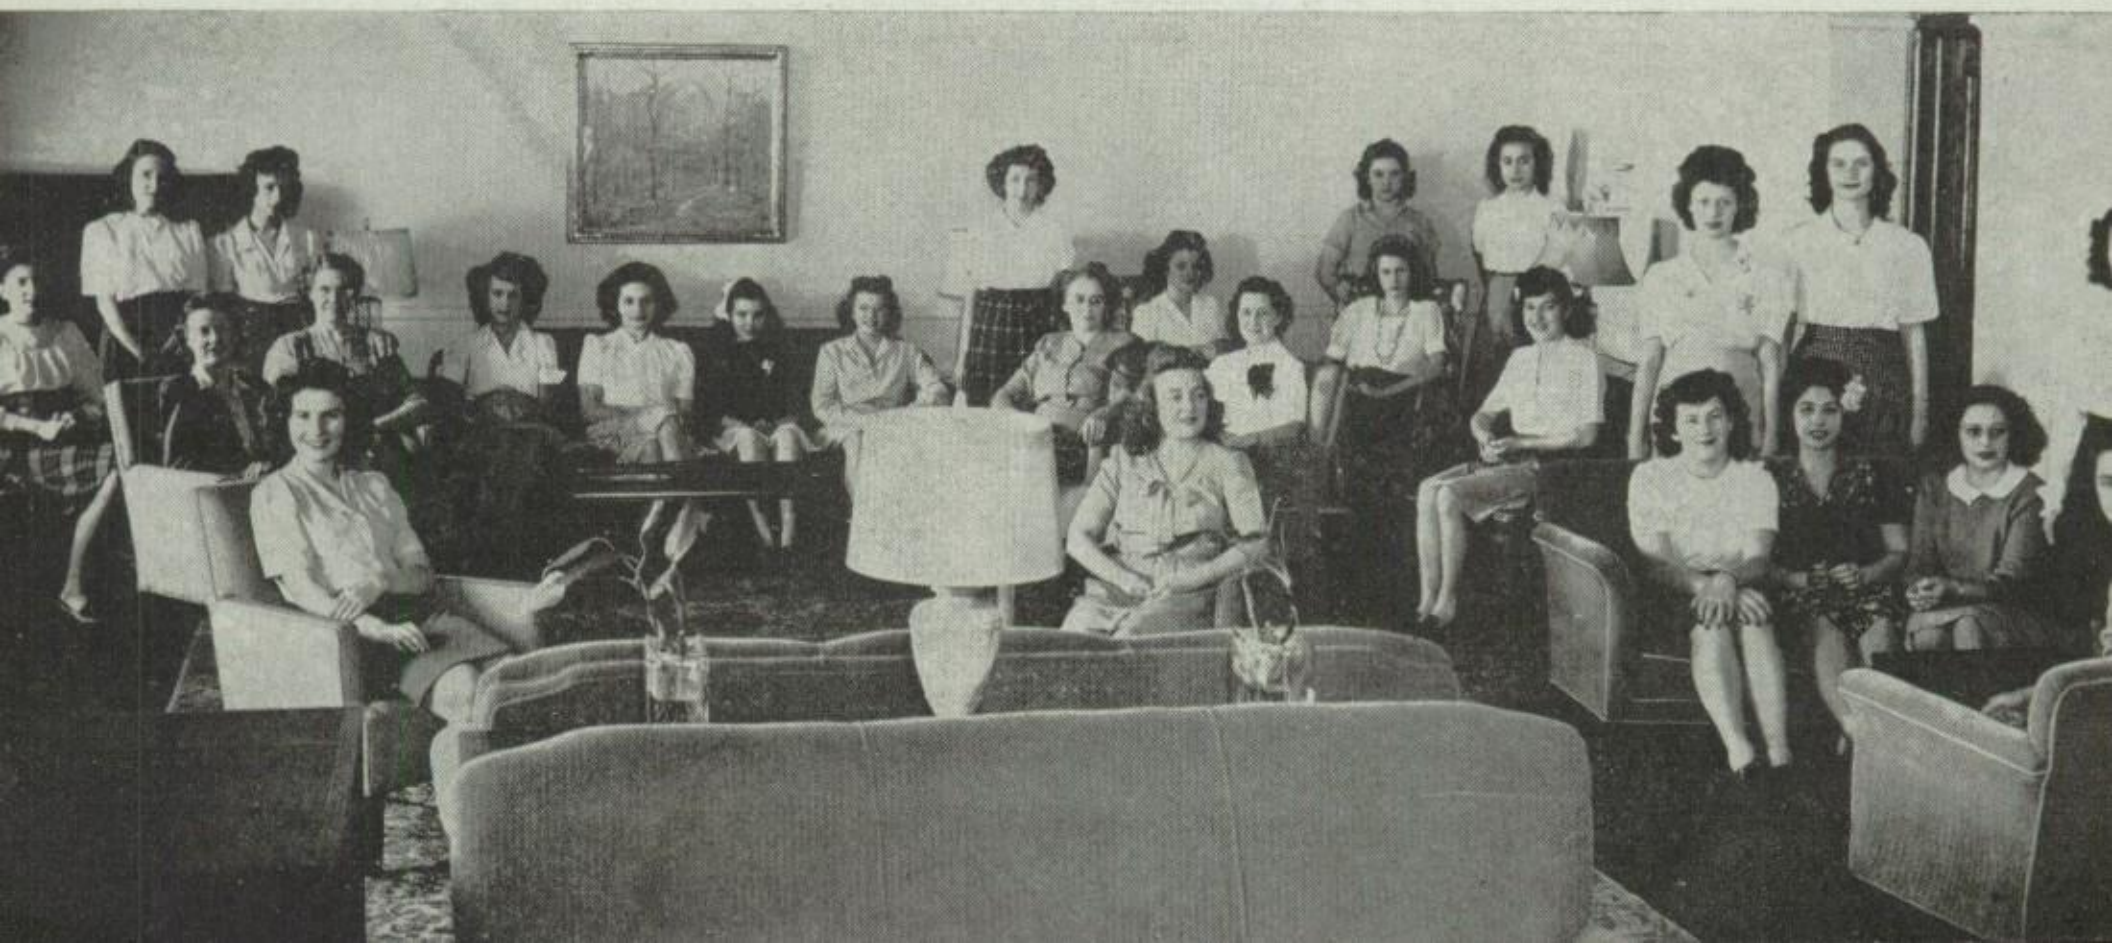

A salute to the young men
and women of Harrison who
demonstrate their patriotism
by remaining in school.
They recognize that the high-
est quality of service follows
only after adequate prepar-
ation. The Placement Office
stands ready to help through
the channels of education,
business, and industry.

OFFICE OF WAR CO-ORDINATOR

BERNARD B. KAPLAN

With the entrance of America into World War II the office of War Co-ordinator was established at Harrison in order that this organization could aid our country to the greatest extent in the victorious pursuit of a great war.

The duties of the War Co-ordinator, Mr. Bernard B. Kaplan, are briefly as follows: Cooperation with existing agencies to help in the war effort by War Bond Drives, Paper and Scrap Drives, and Assemblies; and, to this end, to establish public relations of value with community and metropolitan publications.

It is to the credit of the efforts of the War Co-ordinator, the fine support of principal and faculty, and the untiring work of the student body that Harrison can note with satisfaction the following outstanding patriotic achievements of the years 1944-1945: BOND RALLIES including the sale of over \$1,000,000 worth of War Bonds; CHRISTMAS PRESENTATION to the U. S. Army of a \$57,000 BUICK TANK; presentation and christening of a DOUGLAS C-54 TRANSPORT PLANE, the HARRISON GOLD STAR; participation in the ALLIED CLOTHING DRIVE; three WASTE PAPER DRIVES with Isadore Goldberg as chairman and Dolores Kusper as Fiesta Paper Queen, and the resultant collection of 142,000 pounds of paper.

School and community follow Harrison's splendid Band in the Gold Star Parade.

N.B.C. singer Roberta and U. S. Treasury Department speaker Pat Rush aid War Bond Rally at Harrison.

In solemn assemblage community leaders join Harrison in honoring our Gold Star Heroes.

The OFFICE OF WAR CO-ORDINATOR cooperated with the JUNIOR RED CROSS in sponsoring a drive to make ash trays for the hospitalized veterans of Hines, Vaughn, and Gardiner General Hospitals, and united with the Community Civilian Defense, and the American Legion, the Veterans of Foreign Wars, and the West Side News in honoring our GOLD STAR HEROES. Harrison won city-wide first place in the POLISH SOAP COLLECTION.

In all these efforts the office of the War Co-ordinator maintained excellent relations with the community and city newspapers and appreciates the publicity and good will of the West Side News, the West Side Times, the Chicago Daily News, the Herald American, the Daily Times, The Chicago Tribune, and the Chicago Sun.

CORPORAL DUNCAN M.

R.O.T.C.

BATTALION

The Harrison High School R. O. T. C. Battalion received exceptional recognition for the year 1945 by winning the city-wide annual drill competition, for R. O. T. C. platoons. The Trophy was received by Cadet Lt. Col. Walter Gavelek.

"Enter to learn, and leave to serve" has been the motto of Harrison's Reserve Officers Training Corps in the past semesters.

Under the capable guidance of their instructor, Corporal Duncan M. Simpson, the R. O. T. C. of Harrison aims to train our young men to become better soldiers and citizens. Harrison has the distinct advantage of having the first building of its kind in the United States to be used exclusively for the R. O. T. C. This building, priorities for which were obtained by the War Department, was financed by the Chicago Board of Education.

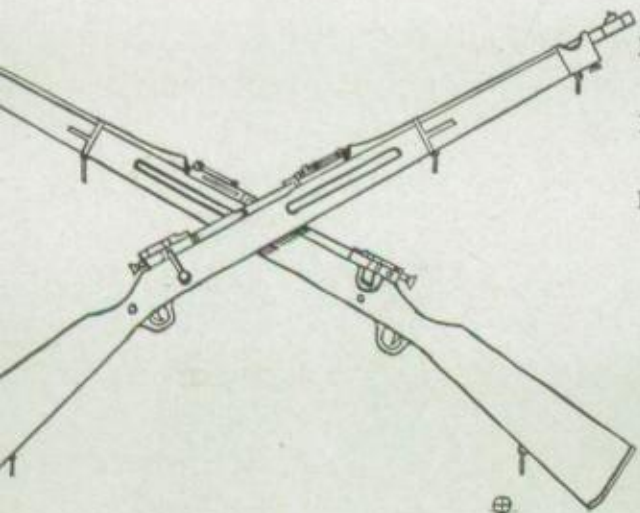

The effects of the R. O. T. C. training have been readily felt in the services of our country in World War II. The R. O. T. C. provides a group of young men who can easily, with proper advanced training, step into positions of responsibility and command, thereby serving their country in a most efficient manner.

The R. O. T. C. cadets take charge of the buildings during Fire and Air Raid drills and also serve as ushers on details during the day and night activities that take place at Harrison.

MICKEY PRINDLE'S ORCHESTRA

Distinguished guests and popular faculty members view with delighted appreciation Harrison's first Military Ball.

OSCAR TAYLOR
Lieutenant Colonel

The Military Ball, held at the Hamilton Hotel on Wednesday, November 22, 1944, was the first of its kind to be sponsored by the Reserve Officers Training Corps of Harrison.

The Ball was made possible by the supervision of our military instructor, Corporal D. M. Simpson, and was a gathering of dignity and beauty. The honored guests were: Lieutenant Colonel Oscar Taylor, the P.M.S. and T. of the Chicago Public Schools, and Mrs. Taylor; First Lieutenant Curtis L. Evans, Military Supervisor of Harrison, and many of Harrison's own faculty members. May this first Military Ball be a forerunner of many more!

JANUARY 5th, 1945

EDDIE FELGER'S ORCHESTRA

Truly the most glamorous affair of the Senior year is the Prom, a party with all the ingredients of glamour: every girl is indeed as pretty as a melody, every boy a young gallant; the background is brilliantly scintillating, the music enchanting. A magic evening to be anticipated for weeks, to be enjoyed, and then stored away in happy memory.

The January Fifth Prom, held in the Tower Room of the Stevens Hotel with Mrs. Mary S. Hunter as Sponsor, and Richard Felker and Margie Ames as co-chairmen, was an evening of charm, gaiety, and elegance for one hundred and three Harrisonites.

CHRISTMAS TREE

"Deck the tree with boughs of holly," sang the committee of Seniors as they rallied 'round the Christmas Tree in the main lobby of the school. Colorful ornaments were donated by the Senior class to make their tree one of the best. Mrs. Munson was the sponsor.

The Choir filled the air with the beautiful songs of Christmastide, and those who passed and saw the lovely scene were filled once more with the centuries-old joy of this Christmas tradition.

ROLLER SKATING

Whirling, swirling, twirling went a crowd of gay Harrisonites at the 4A Skating Party at White City, December, 1944. Skaters waltzed to the melodious organ music of Hal Pearl, and beginners skidded about the rink determined to make the most of this grand affair. And the skaters and the music went 'round and 'round!

BANQUET

Oak Park Arms Hotel

January 22, 1945

Principal Louis F. Brook and Senior
Division Teachers of the January Class

The Senior Banquet, a gay and most decorative occasion, was held at the Oak Park Arms Hotel on January 22, 1945. Dining and dancing to the lilt-ing music of Mickey Prindel, the evening was pleasantly spent.

Vivian Siml, as chairman, introduced the speakers: Walter Gorecki, Class President, Mrs. Munson, Class Sponsor, and Principal Louis F. Brook. Solos were presented by June Bozynski, Pearl Valentine, Ann Paese, and Robert Cooper. Attractive grey and blue booklets with a picture of Harrison on the cover served as favors.

This charming evening, under the sponsorship of Miss Tibbetts, was drawn to a close with the singing of the class song under the direction of Dr. Burkholder.

SKIDDING

HELEN BRESEE

"Skidding" written by Aurania Rouverol was successfully presented in Morse Hall on the afternoon of January 18th and the evening of January 19th by the Senior class of January, 1945 under the splendid direction of Miss Helen Bresee.

The entire play takes place in the Hardy living room, where troubles arise concerning the entire family, starting from the youngest (Andy) on up to the oldest (Grandpa). However, after a series of complicated scenes and comical incidents everyone's troubles reach a solution and the traditional happy ending ensues.

DIVISION 327

Division 327 is a very prominent division containing some very active students, among whom are: 4A President, Walter Gorecki; Lieutenant Colonel, Herbert Kligerman; Basketball Team member, Marvin Weiner.

Of the division quite a few are in the service and others plan to attend college. Walter Gorecki is planning to attend the University of Illinois and Fred Mammett, Illinois Tech.

This energetic division was originally an all girl division but in the last two years the boys were added.

Walter Krych was a member of the armed forces and was honorably discharged.

CECILIA M. MUNSON

DIVISION 327

The Armed Forces of our country have claimed some of Division 327's best known members. This division has always shown a fine spirit of service and patriotism at Harrison, and we know that this tradition will be carried on in their future lives.

DIVISION

340

In contrast with these gay pictures, Division 340 has gone into the war with a true winning spirit.

Their servicemen are scattered over the United States and are represented in all branches of the armed forces.

DIVISION 340

HELEN BRESEE

Never a dull moment in Division 340! Their love of a good time is proved by the way they have responded to the school activities.

Only seven of the original group of Freshmen remain in the same division. The addition of new members each semester helped to make the division prominent in the following school organizations: Herald and Harrisonian Staffs, A Cappella Choir, Girls' and Boys' Chorus, Band, R. O. T. C., Honor Society, Hall Guards, Office Help, Baseball Team, Intramural Sports, G. A. A., Swimming Team, and Senior Play.

The armed forces also claimed some of our members.

The interesting classes, friendly teachers, our homework, and our good times are things that will never be forgotten. We wish to express our gratitude to our division sponsor, Miss Bresee.

DIVISION 121

The members of this division entered Harrison in January, 1941 and departed in January, 1945. Under the capable guidance of Mrs. Hunter, they progressed until they became one of the outstanding divisions of the January, 1945 graduating class.

In the midst of the famous Hunters, you'll discover the President, Secretary, and Treasurer of the Honor Society; Editor, News Editor, Eighth Page and Sports Editors of the Herald; 4A Class Secretary; Business and Art Managers of the Harrisonian; Valedictorian; Salutatorian; eight Honor Society graduates; seven of ten outstanding students of the class; six top ten students; and many more achievements.

MARY S. HUNTER

The entire division is deeply indebted to Mrs. Hunter, who supplied the initiative which was the first step toward progress in their future lives.

DIVISION 121

Following traditions set up by the first Hunter's division, 121 has retained the Hunter's Club with Marion Geppinger presiding. They sent presents to the former members of the division who are now in service.

DIVISION

318

Cherishing fond memories of happy days spent at Harrison, the members of Division 318 leave

these snapshots as remembrances of warm friendships and joyous times.

DIVISION 318

Division 318 is a combination of students from Manley, Jungman, and Harrison. The original division was under the able guidance of Miss Margaret Boe, but Miss Laurette Kirstein was their sponsor during their last successful year.

LAURETTE KIRSTEIN

Some of the activities and offices participated in by these students are: 4A Vice-President, June Bozynski; Football Team, Ted Cichy and Richard Wasney; Majorettes, Agness and Ann Dietz. One of the students, Philip Miller, joined the Navy ten weeks before graduation.

This energetic division plans to travel in various directions. Some are going to college, some into the service, and the remainder are venturing into the business world.

DIVISION

226

The boys of 226 feel that their commencement is not all they wish, because of the absence of their dear friend and teacher, Miss Grace Kennon, who has re-

tired. Miss Kennon keeps up correspondence with "her boys", however, and they still feel the benefit of her keen interest in their welfare.

DIVISION 226

Division 226 became reluctant to leave school when the semester drew to a close. They were members of 226 for only a short while but a genuine harmony existed among the students, as among all the students at Harrison High.

Some outstanding activities and sports were participated in during their four years at Harrison. Among those particularly active were Jewell DeGraff, Joseph Kopec, Jack Carpiel, Senior Play; Joseph Savone, Louis George, Football Team; Joseph Kopec, Ben Zimmerman, Boys' Chorus; Lenore Levi, Jewell DeGraff, Jack Marinich, Band; Shirley David, Social Room Committee; Sidney Ratskoff, Senior Class Treasurer.

MARGARET TIBBETTS

Some other students were active as Hall Guards, Movie Operators, R. O. T. C. Cadets, and Track Team members.

EXECUTIVE COUNCIL OF CLASS of JUNE 1945

OFFICERS

Albert Edgar, Chairman
Bob Fitzgibbons, Vice-chairman
Dolores Kriho, Secretary
Virginia Baran, Treasurer

The Executive Council is composed of the officers of the 4A Class, a member from each 4A division acting as delegate, and Miss Koeber as advisor and sponsor. There are fifteen members on this council, including the class officers.

It is the duty of this Council to elect committees, discuss class affairs with their divisions, and then report to the board on the wishes of the students. In order that all matters of business and social doings are dealt with fairly and properly, everything is decided upon according to majority rule.

The Executive Council, because it has a representative from each Senior division, is proving to be an effective organization, and has gained the cooperation and good will of the Senior faculty and class.

CHRISTMAS TREE

One of the year's loveliest traditions was carried out once more when a committee of 4B's, class of '45, decorated their beautiful Christmas tree in the school lunchroom with dazzling lights and ornaments very generously donated by the class. Caroling as they worked, their voices joyously contributed to the renewal of the Christmas spirit.

As the strains of romantic waltzes floated through the air on the night of October 20, 1944, the skaters swirled around the floor of the White City Skating Rink, with skirts and ties flying in unison with the music.

The Harrisonian is more than happy to honor here those Seniors of the class of June, 1945 who, because of their entrance into the Armed Forces, are unable to receive their diplomas with their class. They are the ones who have returned proudly to Harrison in their uniforms of Army khaki, Navy blue, and Marine olive-green, or who write to us from far away places of the world, every letter reminiscent of Harrison days.

These boys will not be present, it is true, when their class marches in solemn procession on graduation night, and their families will feel a pang of loneliness; but they are marching instead, soon to be joined by others of their class, in their own glorious pageant of victory.

We present, then, this especially honored list, inspired and compiled by **Marilyn Loeck** of the Harrisonian Staff.

Freedom! The Ideal of the Noblest in Each Generation

The spirit of this division is shown by their thoughtfulness in sending Harrisonians, at their own expense, to the former members of the group who are now in

DIVISION 213

— 76 —

the Armed Forces. It is also displayed in the very attractive light tan windbreakers worn by the members of the division.

ELSA G. KOEBER

Division 213, a part of the great 4A group, is composed of 37 glorified Seniors and our beloved division teacher and sponsor, Miss Koeber.

Our group is ably represented in the Band, Choir, Orchestra, Honor Society, and in the R. O. T. C.

But our division is not represented at Harrison alone. Members of our group are also prominent on the war fronts. They are: Allan Star, Frank Ludicky, Frank Purkart, Roman Paluch, Robert Liska, Edwin Zelinsky, Edward Sadrakula, and Clarence Kull.

All work and no play is the farthest from our minds, you see. And our monthly dinners at Klas, Guey Sams and the Vine Gardens prove that. Our picnic last fall was a huge success and we are anticipating our last picnic together, as a group, in June.

It shall not be goodbye, but, "'Til we meet again," for the friendships gained in 213 shall be everlasting.

DIVISION 213

This energetic division is composed of various students from other divisions and Manley. Some of the more recent members were originally members of Miss Koeber's division, two-thirteen.

We have quite a few members in the Honor Society and several are in the Senior Play. Some of the boys will be entering the armed forces shortly after graduation and all are reluctant to leave.

Although the girls outnumber the boys there is a genuine spirit of cooperation and friendliness, and the opinion of the students as a whole in regard to Mr. Rahn, our inspiring teacher, is one of admiration and respect.

When the graduates of three hundred look back in the years to come, they will always remember the wonderful times and experiences they had during their four years at Harrison.

ROBERT C. RAHN

DIVISION 300

Outstanding in loyalty, integrity, and gay camaraderie is this June graduating division of 1945. They hope to continue their friend-

DIVISION 300

ships and mutual interests even after their days at Harrison are over.

The bright green jackets of the Merri-Macs symbolize the spirit of friendliness and co-operation of Division 206.

DIVISION 206

The disappearance of these colorful insignia will be greatly felt at Harrison.

DIVISION 206

A popular division, these students are classified as the Merri-Macs, friendly, happy, cooperative "guys and gals".

Its thirty-nine members belong to various activities such as Hall Guard, R. O. T. C., A Cappella Choir, Honor Society, Football, Basketball and Track Teams, and its original club—"The Merri-Macs", also has a theme song.

The group has held many parties among themselves on Thanksgiving, twice on Christmas, and on Halloween, with its fine division teacher heartily attending them.

JOHN H. McCLELLAN

This group of young ladies and gentlemen has been under the guidance of Mr. McClellan. They are lonesome at the thought of leaving Harrison, but the years spent will remain in their thoughts forever.

DIVISION 343

We, Division 343, a body of thirty-seven energetic students, are under the sponsorship of Miss Hoffman, who has done her utmost to make Harrison proud of us. Our members are in the Band, Choir, Honor Society, athletic teams, and serve on many committees. We have the secretary of the class in our division and we feel that she may also be the valedictorian.

FLORENCE HOFFMAN

We are also proud to mention that we have a service star for Nick Dalaly who is serving with the United States Navy. Most of the students will go out into the business world, while others will go on to college. With Harrison as our background we cannot help but succeed.

We are sorry to say that Edward Redieske will leave in the middle of the term for the Navy. We wish him great success.

DIVISION 343

Many of the boys are entering the Armed Forces after graduation and all our good wishes go with them.

The spring semester in 334 was brightened by the charming white jockey caps of the girls and the

DIVISION 334

colorful green and white shamrock-trimmed sweaters of the boys.

DIVISION 334

In the autumn haze of 1943 thirty-three strangers journeyed westward from Jungman and joined six Harrisonites to make a Junior group. By the time the leaves had turned to richer red and gold and the autumn mists grew deeper they had entered into the spirit of Harrison with all the loyalty, sportsmanship, and friendliness which have characterized them ever since.

For their Senior semester they have chosen as their officers: President, Joe Hageman; Vice-President, Frank Peishler; Secretary, Evelyn Stoyak; and Treasurer, Joann Janetka. They miss, but are proud of, their servicemen: Richard Novak, Merchant Marines; John Pavlik, U. S. Army; and Richard Somrek, U. S. Marine Corps.

Their division teacher, who will miss their endearing young charms, extends to them this wish.

CATHERINE MAHONEY

May the swift succession of the years
Bring health, happiness, and success to you.
Keep looking up at the stars,
And may all your dreams come true!

DIVISION 329

Division 329 is a very enthusiastic group which is actively engaged in many of the school's activities.

We are well represented in the Honor Society, Band, Orchestra, Choir, R. O. T. C., the Harrisonian Staff, Basketball, Volley Ball, Bowling, and the G. A. A.

Two of the most outstanding members of our division are Fred Zatorski, President of the Honor Society, and Virginia Baran, Treasurer of the Senior Class.

BELLE R. BADGLEY

We know that after graduation we shall miss our beloved Harrison and the many happy days we spent there.

LILIAN R. GRAY

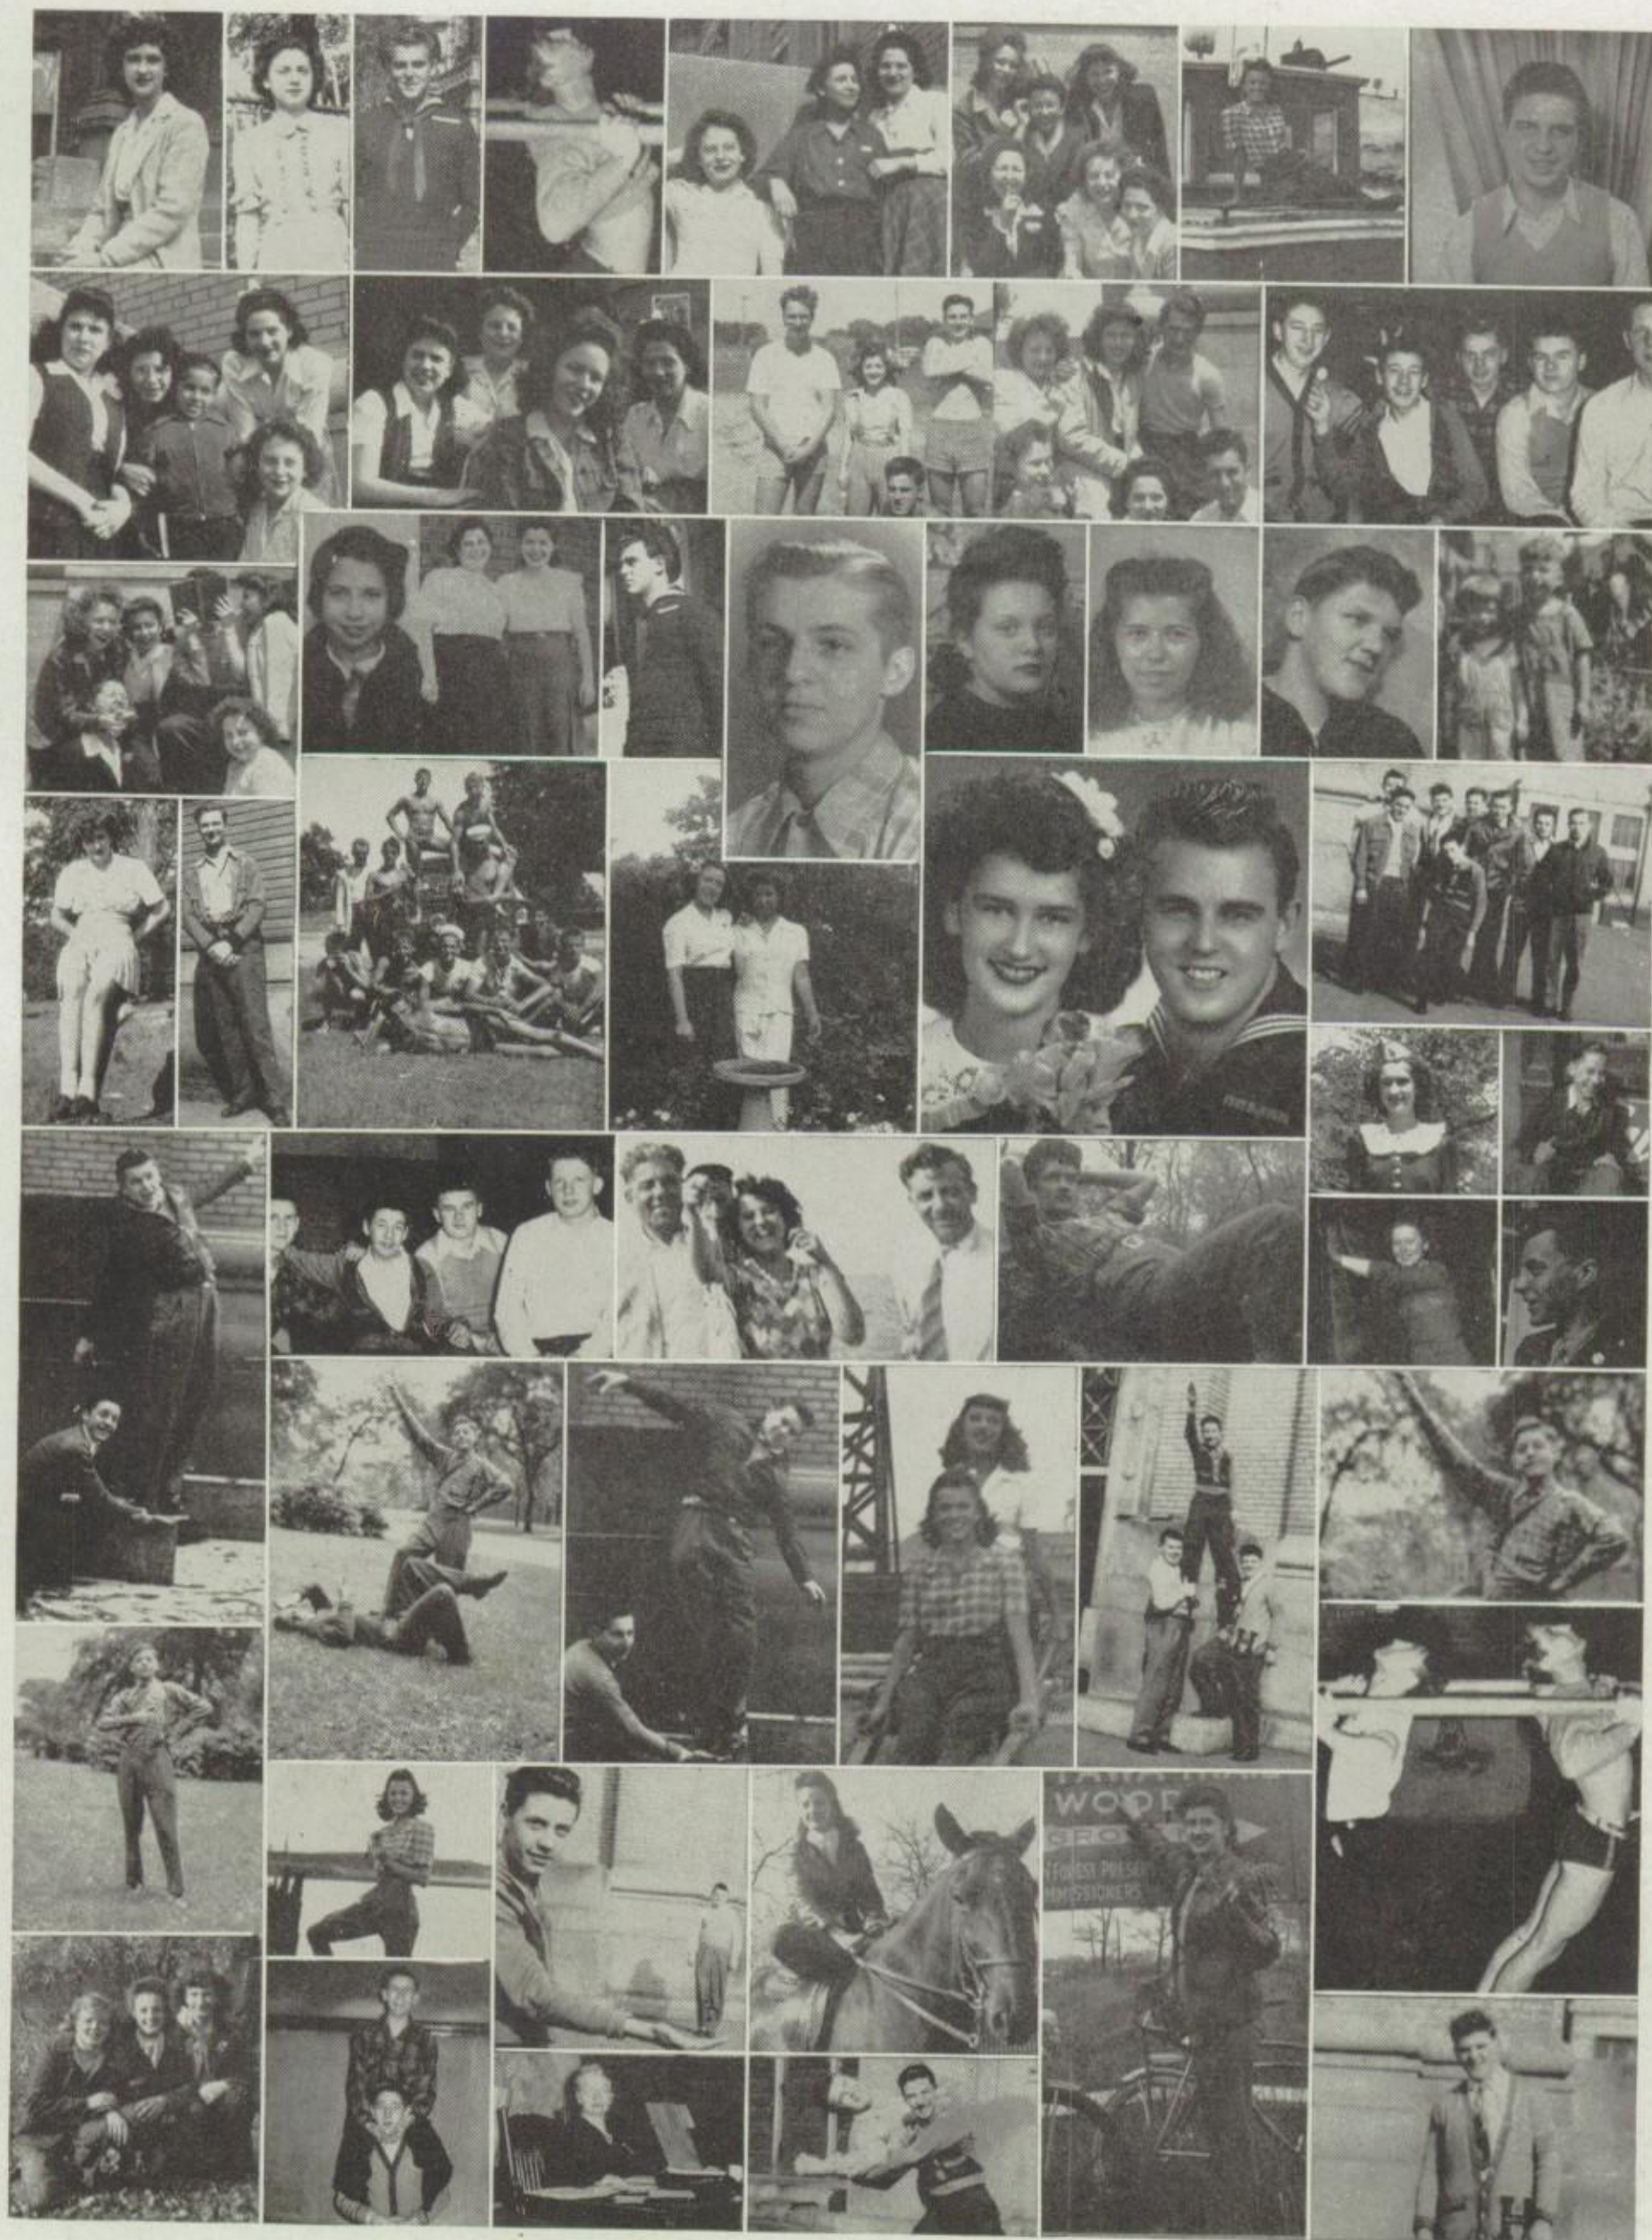

Division 219 is represented in all activities including the Honor Society, Football Team, Herald Staff, and Choir.

Originally Division 309, under the capable leadership of Mr. Sazama, we reached our goal—Seniors! We were all sorry when Mr. Sazama left us because of illness. Miss Kartanas, a new teacher at Harrison, then took over and helped us along our "road of life." Finally, we were wished on to Miss Gray, whom we want to thank for her friendliness and guidance in making our last semester at Harrison an unforgettable one.

For many, school days have come to an end. Each of us will go along on his own walk of life. But, no matter how far scattered we may be, we will never forget our years at Harrison—the All Star School—as an All Star Division—219.

DIVISION 219

This division is especially proud of two of its members, Shyrlee Tucker and Jane Schneider. These two girls have been friends

DIVISION 219

through twelve years of schooling. They are the eight page editors of the Herald. Good luck to them in the future!

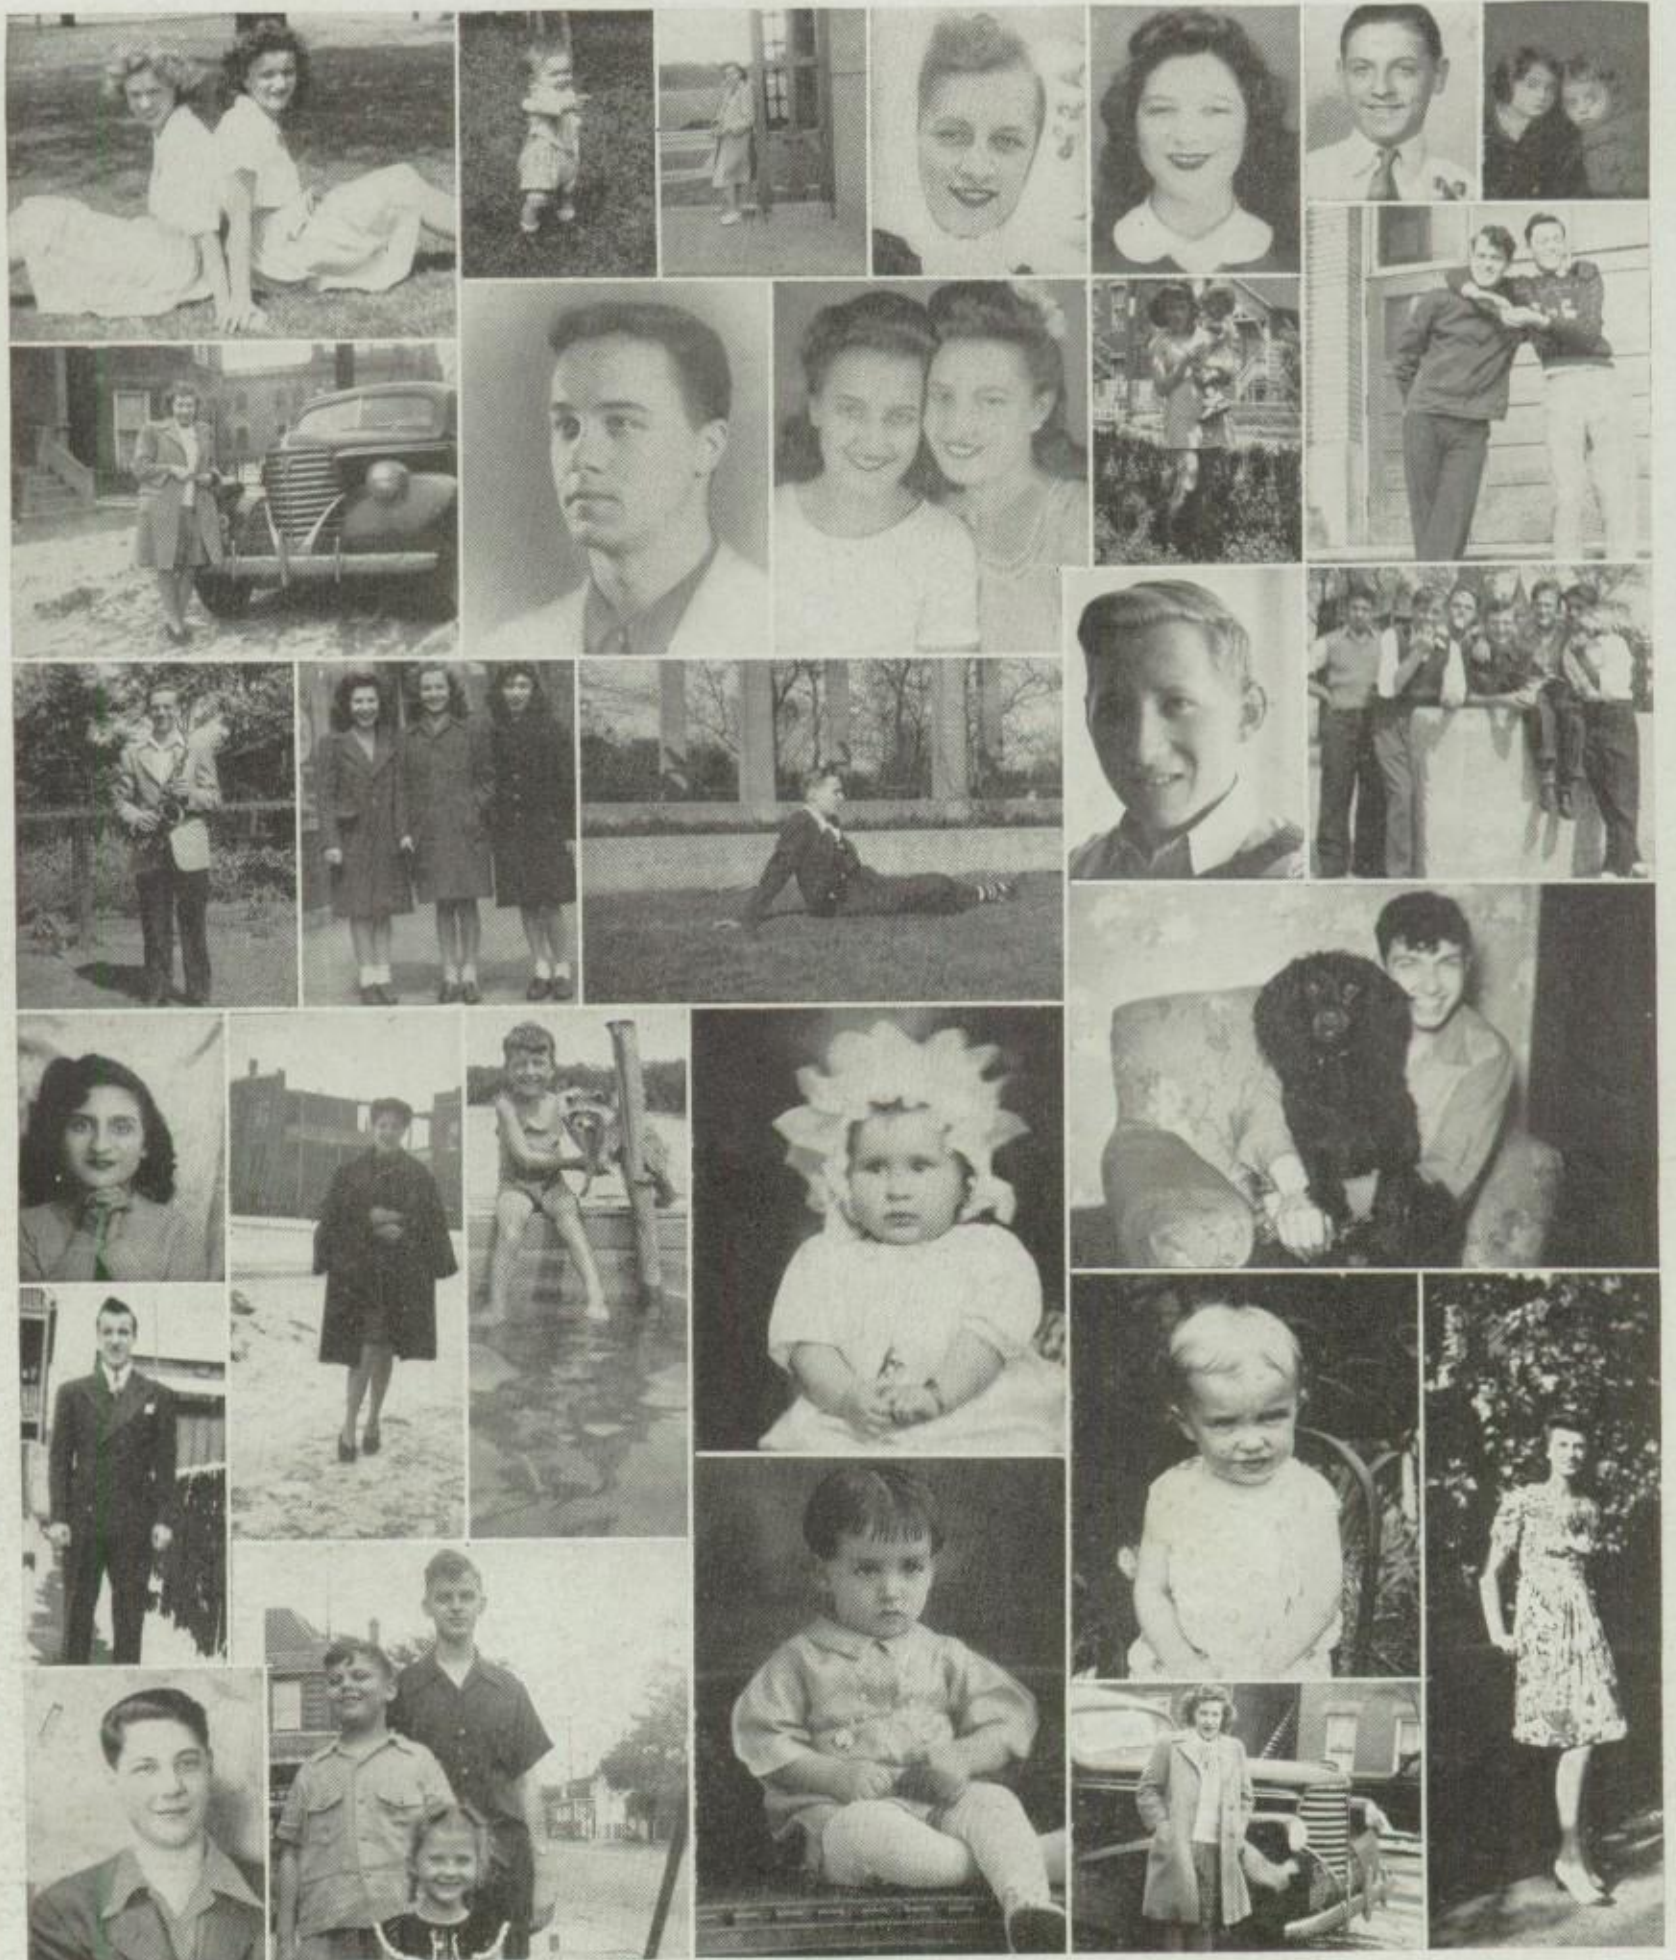

This division has had the fortune of having such charming division teachers as Mrs. May Francis, Miss Juanita Conklin,

Miss Jane Casey, and Mrs. Esther Jacobson.

We extend thanks to them for their interest and kindness.

DIVISION

162

ESTHER H. JACOBSON

Let us take an excursion through the dark, dark, halls of the first floor annex, and peek through the key hole of Division 162. Though this Senior Division is in an isolated spot, you probably have seen the girls and boys in many of the school sports and activities.

In their 4B semester, the boys won the Intramural Basketball Championship with the help of a few of the boys who were on the School's Football Team. They have a few celebrities in this Division. These include Larry Ketz, one of the famous Condors and a star on the Football Team, Arthur Klecha, Editor of the Harrison Herald, and Lois Jean Dusek, Nadine Hejl, Antoinette Bio, the Harrison Trio, to name a few. There are also seven members of our Division who are in the Honor Society.

We have tried to make Harrison proud of us, as we have been proud of her.

DIVISION 162

Division 320 is well represented in the activities going on at Harrison. We are represented in the Honor Society, R. O. T. C., Orchestra, Band, and on athletic teams. Of course, we have more than a fair share of feminine pulchritude, plus a little masculine ingenuity.

In the National Honor Society, 320 is credited with Steve Chamillo and Rosario Rosales. Steve is also a high ranking officer in the R. O. T. C., and a winner of the Tribune medal. Rosario is our sole member in the Orchestra and Band.

As for athletics, we have two giants, one in height, and the other in width. The former is John Bednarchik, who has received letters for Football, Baseball, and Basketball, and the latter is Ray Ronowski, who made his letter in Football.

Now for our beauty department. No use mentioning names, because all our girls are good looking and charming.

Our division is more than proud of its five members in the Armed Forces: Leonard Oklan, Walter Marszalek, William Kehernick, Joseph Grzetic, and Edward Meznarich. For them, we wish all the luck in the world.

HARLAND V. MAIN

DIVISION 320

This division, which now has only seven of its original members, has had the good fortune in having such division teachers as

Miss Richards and Mr. Main. We extend our thanks to them for starting us on the road to success.

DIVISION

320

DIVISION 256

Members of Division 256 have been very busy taking an active part in all the activities in the

school. They are seen here during leisure moments of fun and enjoyment.

SILVA M. WOOD

Thirty-three students, each facing the future with anticipations, each anxious to make some addition to Harrison's already glorious record of achievements under the faithful guidance of Mrs. Silva Wood,—this is Division 256.

We are especially proud of the four boys, James Harper, Louis Wszolek, Raymond Schroeder, and Edward Shramek, who once contributed so much to Harrison and now are offering their services to the cause of liberty.

The scholastic record of our Division can be measured by the fourteen students who are members of the Honor Society. However, we do not limit ourselves to studies, as the Division is well represented in the R. O. T. C., Music and Art Departments, Herald Staff, Athletic Department, and Harrisonian Staff.

And so we leave Harrison, well equipped to face the future.

DIVISION 256

"A little bit of everything" is Division 305, whose 40 active and most co-operative members have taken Commercial, General, and Technical courses. We have been under the able guidance of Mr. Duda, who has patiently helped us through any difficulties which have arisen during these four years.

We have contributed willingly and generously, to such school activities as A Cappella Choir, R. O. T. C., Junior Class Officers, and Senior Committees.

We are especially proud of our part in Harrison's Soap, Book, and Scrap Paper Drives. We led the school in all three.

We will always remember the happy days at Harrison as we now face the future with firm determination to succeed.

OTTO F. DUDA

DIVISION 305

This division is noted for its fine spirit of cooperation with school projects. It especially distinguished itself in 1945 by taking first place in the Scrap Paper

DIVISION 305

Drive. The grand total of 10,100 pounds of paper was their contribution to this particular patriotic effort.

The Harrison Technical High School Band was the first Band in the country to receive the Distinguished Service Citation from the Music War Council of America.

The Band is one of the busiest organizations in school. It plays for numerous assemblies, football games, participates in contests, federal inspection, R. O. T. C. parades and has semi-annual concerts.

In service to the community and in cooperation with the war effort it has participated actively in O. C. D. affairs, Bond and Stamp Drives, Flag Dedications and Memorial Programs. A check-up of the Band records from 1938 to date revealed 110 bandmembers in the armed services.

The Harrison Band Parents Association is a chartered organization composed of parents and friends of the students in the Band. Their objective is to give moral and financial support to the Band, buy and repair instruments, furnish sheet music, transportation to contests, and incidental expenses.

PARENT TEACHERS ASSOCIATION

The Parent Teachers Association of Harrison High School has cooperated earnestly with the many projects which contribute to the welfare and prestige of the school. The association has made contributions to the American Red Cross, the Crippled Children's League, and the Harrison Herald's Servicemen's Fund. It has also aided the Montefiore and Parental Schools.

The P. T. A. has given assistance to the Band Parents Association and to the Orchestra.

The members of this organization find time for such activities as: Bond Drives; Servicemen's Centers; Civilian Defense; and the Red Cross.

The Harrison Concert Orchestra has numbered some seventy players this year, under the direction of Dr. Samuel Burkholder. In spite of the war situation it has performed many times and rendered a distinct service to the school. Among the many assemblies and musical events it has taken part in were the Fall and Spring Music Festivals, with such numbers as the Liszt Piano Concerto (featuring Yvonne Southall), the Beethoven First Symphony, and Excerpts from Romberg's "Student Prince".

Because of its patriotic services the Orchestra received the first Certificate of Merit, given by the Music Council of America to any Chicago high school. It was presented on the evening of the Fall Festival. Other important appearances of the Harrison Orchestra were for the Fall Convocation of the Honor Society, the Senior Plays (Fall and Spring), the Graduation, and at the Annual Christmas Assemblies.

This year will see the graduating of some twenty of the most accomplished players who will be greatly missed. A reassuring feature, however, is the fine work of the Intermediate Orchestra of over fifty players, most of whom will be in the Senior Orchestra next Fall.

1944-45 sees the A Cappella Choir standing out as usual at Harrison Technical High School. This is not strange because every member loves the Choir and is proud of its motto, "Our Best Always", which was adopted when Mrs. Patton became the director.

Those haunting strains of "Chloe" will long be remembered as they were sung in the Fall Festival. Then there was the revered "Navy Hymn" which is dear to the hearts of everyone in these troubled days. At Christmas the choristers burst forth with exultation in "Glory To God", and the marooned robed singers caroling about the Christmas tree made all hearts happy. In the Spring Festival, their gay and melodious numbers charmed the listeners anew.

HELEN PATTON

The Citizens of Tomorrow program, the contest and assemblies finished out the musical program. Long remembered after school parties, the Christmas banquet, skating parties, and the annual picnic added a touch of gaiety to a very busy year.

HELEN PATTON

TREBLE CHORUS

The Treble Chorus, one of the outstanding organizations of the school, has magnificently progressed under the splendid leadership of Mrs. Helen Patton.

The Chorus is kept active singing for such school activities as Assemblies, the all colorful Spring and Fall Festivals, and the Annual Choral Competition. In this year's Choral Competition "Longing" by Stringham and "Greetings" by Brahms were sung.

The girls have chosen as their favorite song Schubert's "Ave Maria", which has been sung at our Christmas Assemblies the past two years.

Besides a sincere interest in their music, the girls further demonstrate their vivacity and charm by taking an active part in many social events sponsored by the Treble Chorus. Among these are the Annual Christmas Ball, Roller Skating parties, and merry hayrides.

MARIE S. JOHNSON

Whose are those lusty voices ringing through the Harrison halls every day during third period? Why the Boys' Chorus of course. Since 1940, with Mrs. Helen Patton as director, this group has sung for the joy of singing and has appeared on numerous programs. They never tire of singing "Stout Hearted Men" and "The Riff Song". And they love to sing the songs of the various branches of the service where many of their former comrades are serving their country.

In February, 1945, Miss Marie Johnson took over the directorship of the Boys' Chorus and will lead them on to new glories.

HARRISON HERALD

The "Harrison Herald," the school news publication, endeavors to serve the students, the school, and the service men who are on the mailing list in the best manner possible.

For almost seven years the "Harrison Herald" has been issued bi-weekly on the subscription plan. A change was made in 1940 in the size of the paper. Instead of a large, four-page sheet, it was issued as an eight-page, tabloid paper.

It has been the policy of the school paper since the early months of World War II to devote an entire page to news of interest to Servicemen and letters received from them. Copies of the "Harrison Herald" are mailed to hundreds of men in the Service, who have expressed their appreciation in letters, which are filed in the Staff office.

Members of the "Herald" staff are named for positions of importance after they have completed the three semesters of preliminary training. Upon graduation they receive an "H" award and an attractive quill and scroll pin.

The annual banquet in May, to which former Staff members are invited, is the high point of the year.

Membership on the "Herald" staff is credited with: giving members a knowledge and use of correct English, developing a spirit of camaraderie, preparing for a chosen vocation, and serving one's school and country in the spirit of true patriotism.

The Harrisonian, as a yearbook, attempts to capture and record the spirit and the substance of its school. It seeks to present a unifying principle around which the activities of Harrison evolve. The center is, of course, the individual student, most particularly the graduate, and it is his picture, interests, and achievements which are especially highlighted.

Around this focal point are presented the administration and faculty, the divisions of the school, and the organizations—social, cultural, athletic, and military—which contribute to the development of individual talent.

For the wealth of business, photographic, literary, and artistic detail which was necessary for the compilation of this yearbook the Harrisonian extends its appreciation to the able and enthusiastic staff with which, because of its youthful talent, industry, and never-failing good will and cooperation, it has been a pleasure for the Harrisonian sponsors to be associated.

HONOR SOCIETY

The Harrison chapter of the National Honor Society was organized in 1924. It has since been successful in stimulating leadership, scholarship, character, and service among the students of Harrison.

The activities within the Society are conducted by committees: Activity, Social, Record, Entrance, and Initiation. Every semester there is an outstanding social event which is sponsored by the Honor Society. This year, it was the "Halloween Rendezvous," a dance held in the new R. O. T. C. building. In addition, the 1A's who had received an "E" average for their first semester's grades were entertained at a tea this semester for the first time in the Society's history. Also, a new committee was organized to compile the names of all the honor students throughout the entire school body.

Whether the undertaking be scholastic or social, the Honor Society always achieves success. We hold high the flaming torch—the symbol of the Honor Society.

The receiving of the Harrison Honor Society Charter in 1924 enabled the Honor Students of Harrison to gain recognition for their high scholastic abilities. Not only must they excel scholastically, but they must also participate in extra-curricular activities..

The meetings are conducted by student-elect officers and are held every four weeks. The business of the Honor Society is discussed and voted upon by all members. The various committees plan the Honor Society affairs, at least one of these being held each semester.

Our capable sponsor, Miss Tibbetts, advises us all on these affairs. As we the Seniors graduate, we pass the torch of learning so that other capable hands may continue the work that we have started.

HALL GUARDS

FALL + SPRING

The Hall Guards constitute a service organization. Our prime purpose is to serve the school by maintaining order in the corridors, assisting visitors, and guarding valuables in the lockers. Nearly three hundred guards are on duty each day.

Each Hall Guard is expected to be a constant example in proper conduct and good attendance, and to maintain an average grade of "G" with no "D". When the guard has rendered good service and maintained the required qualifications for five semesters, he receives a gold pin or a letter award.

CIVITAN

The Social Science Club organized in 1923 by Mr. Hawkins was founded to promote better citizenship and give practice in the responsibilities of our future citizens.

In later years the club's name was changed to "Civitan" meaning "good citizen." It was felt this name well described the ideals of the club.

Some of the activities engaged in by the club at various times have been excursions to places of interest, debates, talks by outside speakers, contests, Thanksgiving baskets, poor family fund collections, Christmas parties for orphans, Red Cross work, Clean Up Campaign, School Children's Aid Collection, Youth Week Assemblies.

Reports from our former members indicate the fine example of leadership and citizenship which they practiced here and carried out into the good citizenship of their communities and their country.

HARRISON JUNIOR RED CROSS

The five boys and twenty girls of the Harrison Junior Red Cross work in friendly spirit with Miss Mae L. Cunningham, sponsor.

In the space of fifteen weeks we have completed four hundred and fifty nutcups for the Halloween and Thanksgiving Day holidays, many yarn dollies to trim the dresses of refugee girls, filled fifty Christmas bags, each with fifteen very useful articles, gathered used decks of cards, brought in cross-word puzzles, and, all in all, have kept ourselves very busy helping our men in service.

Our drive for Christmas tree ornaments netted us \$111.34. This money was used to purchase ornaments to help trim the four hundred Christmas trees used in the Chicago area for servicemen.

We are proud of our organization, proud of the splendid cooperative spirit from the faculty and student body at Harrison. We are proud of the success of all our activities, and most of all proud to be doing our best for the United States of America.

The sweltering summer months are spent at Pell Lake, Wisconsin, by all of the group. At the resort they are known and liked by all the neighboring people.

HOSTESS CLUB

The Hostess Club is a new organization at Harrison. This active club consists of selected young ladies, chosen from the Home Economics Department, who will be trained in the proper procedure of table serving. The purpose of this club is to serve whenever Harrison receives guests for lunch in the Household Arts Department.

The girls wear attractive aprons and gay boleros, thus adding a charming touch of color to their costumes. These lovely costumes were made by the sewing classes.

The Hostess Club is enjoying its duties in the Home Economics Department, which has been newly decorated in soft shades of green. The new draperies of fiber-glass and the Venetian blinds add to the charm and home-like feeling of this room.

The Hostess Club hopes that in the future they will also act as a social club and serve teas.

DIVISION 257

Division 257, is rolling onward. These upper classmen have representation in the Band, Orchestra, R. O. T. C., Boys' Chorus, A Cappella Choir, Treble Chorus, Herald Staff, G. A. A., Gymnastics, Football and Basketball teams and intramural sports.

Our division club, organized with the aid of their Division teacher, Miss Koplewski, has held annual Thanksgiving and Christmas parties which have been very successful in promoting good spirit and friendliness among division members.

The club's officers are: President, Rudy Skolek, Vice-President, Louis Valentino, Secretary, Marilyn Sims, and Treasurer, Rose Tomasino.

Paper drives, Community welfare, Red Cross, Herald subscription and recent soap drives have been one hundred per cent matters with these alert 3A's.

At the present time, Division 257 already has three former members in the service of our country. Our division will also have ten students initiated into the Honor Society, to give them the largest representation of a 3A division.

MABEL HIGGS

DIVISION 229

Division 229 has thirty ambitious students, each one of whom has helped to make our division outstanding in everything from scholastic standing to activities.

The majority of 229 have been honor students since their Freshman year, and are now members of the Honor Society

The boys are especially interested in athletics. Gene Artemenko is the City Backstroke Champ on the Harrison Swimming Team. Additional members of the team are, Richard Shwery and Joe Chaplick.

Bob Weber was the 3B and 3A class secretary and our delegate, Harry Arden, is the public address assistant.

Many of our members take active part in the Band, Choir, Herald Staff, Basketball, Track, Bowling, R. O. T. C., and the Red Cross Club.

Our division owes much of its success and spirit of cooperation to Miss Higgs, our friend as well as our sponsor.

DIVISION 127

Division 127, formerly 119, entered the halls of Harrison High three years ago as an all boy division, under the guidance of Mrs. Bissell. Somewhere along the beaten path, we were presented with twenty spirited girls and this now makes up one of the leading division rooms.

There isn't any sport or activity that isn't represented by the boys and girls of our division.

We possess the school letters of Baseball, Bowling, Gymnastics, Swimming, Track, The Herald, Honor Society, R. O. T. C., Band, Orchestra and the Choirs. We are especially proud of the fact that our girls are Intramural Softball Champs and are already displaying the shields which were presented to them.

We've had our ups and downs, but for our remaining days we're forever climbing forward on the path of success.

 Walter Pyzik, Purser

The Skylarks have contributed faithfully toward the purchase of bonds and stamps and desire to do everything possible to help win the war. They have a Skylark Honor Roll of their brothers in the armed forces. At different times of the year they remember them by sending cards and gifts.

They participate in extra-curricular activities, A Cappella Choir, Band, Intramural Sports, and Advanced Art.

On entering the library one sometimes feels that an air of leisure prevails, but this is not so. It is the busiest place in the entire school. In fact, the library is the hub of the school. In it one finds books, magazines, pamphlets, and pictures which furnish information for every department, every teacher, and every pupil.

There is an enormous amount of work being done, both visibly and behind the scenes. Who does all of this work? Our librarians plus forty student assistants. This year the librarian is Miss Etta B. Fluke. Her assistants are Miss Hilda Lukas and Miss Georgiana McMillan. But without the student assistants the work just couldn't be carried on. Harrison High should "give a hand" to these volunteers.

The pupils of Division 123, upon entering Harrison as 3B's from Jungman and Manley, were teased with the nickname "Freshie" but now are well acquainted with the school and participate in many of its activities.

Five of our division were initiated into the National Honor Society. Others are in the A Cappella Choir, R. O. T. C., and G. A. A. Several are "H" girls. We are interested in Baseball, Basketball, Volley Ball, Football, and intramural contests.

Miss Cobb, our kind and understanding division teacher, has won the confidence and admiration of every one in our class, thus helping us to be "one great big happy family." We know Division 123 will be the finest division in Harrison.

WINIFRED S. PERRY

DIVISION 104

The members of 104 have reasons to be proud of our up an coming 3A division. Mainly we are all indebted to Mrs. Perry for her excellent advice on all matters and for her outstanding work in backing our group to give 104 a fine name as an outstanding division.

Our "men" are represented in every athletic team, the girls are one hundred per cent G. A. A. members, and every one participates in all class activities and tries his best to uphold the traditions of the school.

Our "get-togethers", such as hay rides, parties, and picnics, have always been backed by 104 with great enthusiasm, as the motto of the division is, "One for all and all for one."

BOHUMIL KRAL

Several of this group will probably be eligible for the Honor Society. They are the following: Jerome Becivar, Lucille Antich, Gloria Gradishar, Fannie Greenbaum, Helen Lukashewikz, Ann Marie Kohut and Dorothy Krause. Our delegates are La Vern Mandel and Fannie Greenbaum. Among our athletes are Kenneth Marek and Ladimir Jarolimek.

We boast of our former division room pal, Pat Saladino, who is now serving in the United States Navy and corresponds regularly with his classmates. The star on our division door shows our appreciation for his endless efforts to help win this tragic war.

ANNE O'BOYLE

Division 316 is composed of thirty-six fine boys and girls who are in their Junior year. A fine spirit of friendliness and cooperation exists among these students.

The Division was one hundred percent in Harrison Herald subscriptions both semesters, and has been buying War Bonds and Stamps regularly. Contributions to the Red Cross and to other organizations have been generous.

On the school's athletic teams we have our share of able representatives. We are also well represented in the R. O. T. C., Choir, Treble Chorus, and G. A. A. The intramural program of Harrison has always found 316 enthusiastic participants.

The achievement of which they are most proud is their high scholastic record. They look forward to their Senior year with keen anticipation.

We owe much to the masterful guidance of our division teacher, Miss Anne O'Boyle.

LOUETTA WOOLFENDEN

DIVISION 225

Always ready, willing, and able to take part in any of Harrison's activities are these Juniors of Room 225.

With pride in our hearts, we state that two former members of our division, Paul Hernandez and Paul Oderaka, are now serving Uncle Sam in the U. S. Navy. To back our men in service we patriotically purchase War Stamps and collect waste paper.

We have representatives in the Band, Orchestra, A Cappella Choir, R. O. T. C., and Herald Staff. Several of our group serve the school as Hall Guards and Attendance Office workers. Our room also has two outstanding individual entertainers, Alice Brox as a vocalist, and Charles Swan with his "Music and Magic."

Scholarship honors of the division go to Rosaline Mish and Walter Kuczaj for the highest averages thus far. Five others of the division have been on the Honor Roll every semester and hope to keep up the good work for the remaining semesters.

DIVISION 221

Our Junior year has brought to us in Division 221 some very happy times as well as some very hard work. Outstanding among our good times have been our division party in the recreation room at Rosalind Broderick's home, our all day picnic in Lemont with Rosemarie Tomasek's family, and our Christmas party at school.

In spite of our struggles with such difficult subjects as advanced algebra, physics, and shorthand, we still have some E's and S's. Seven of our girls have been on the Honor Roll every semester thus far.

For two years we have been sending our Harrison Herald on to the boys who graduated from 221 in 1942, all of whom are now in active military service. This year one of our own members, Morris Frez, has left school to serve in the U. S. Navy.

DIVISION 336

It would be a lie to say that Division 336 is an ideal division, but we are one of the highest purchasers of War Bonds and Stamps. We purchased \$225.00 worth of stamps. Richard Kasjak is the greatest bond buyer of our group. During the Paper Drive every individual participated.

That expert on Football (he wrote several books on the subject) is Mr. Ray, our division teacher. He is a good friend to all his division students. He is especially generous in giving make-ups, since he has charge of them.

Our division delegate is Pat Leska. We have with us this year several nice girls from Jungman High.

Our boys specialize in Football. The girls are in the Red Cross and Choir. We are striving for continual improvement and hope to be outstanding in our Senior year.

MARGARET MC GARR

DIVISION 348

The Juniors of Division 348, under Mrs. McGarr's leadership, are certainly doing all in their power to make Harrison High stand out among the other schools. They have participated in the Paper Drive, Soap Drive and Book Drive. Needless to mention, they have been buying United States Saving Stamps continuously.

Some of the members of the division who hope to be eligible for the Honor Society in the coming semester are Josephine Linder, Mary Hernandez, Dolores Stozek, Cathrine Grillo, and Dolores Lynn.

The various activities which some of the boys and girls belong to are the R. O. T. C., the Cheer Leaders, the G. A. A., the Hall Guards, and the Social Council.

All the students of this division have extremely high hopes for the coming year, and wish that in the near future Harrison High will be as proud of them as they are of their school.

SAMUEL R. BURKHOLDER

DIVISION 400

Division 400 is advancing quite rapidly now that we are upper classmen. Being 3A's we are quite proud. During the Red Cross Drive we collected \$5.00 and were ahead of some of the other divisions. We are improving in our bond and stamp collections now as we have almost doubled our purchases this year.

We are pleased to have with us a few boys and girls from Manley High who have all become "part of the gang". In our division we now have twenty girls and nineteen boys. Some of the girls have formed a Bowling Team supervised by the G. A. A. We hope they will rate high in their averages.

We have voted for our class division officers and we believe they will carry out their duties satisfactorily. We owe these accomplishments in great measure to our grand teacher, Dr. Burkholder.

Always striving for high standards, Division 215, under the capable sponsorship of Miss Fox, is well represented in various extra curricular activities as well as high scholastic achievement at Harrison.

Some of the organizations in which these Juniors participate are Treble Chorus, A Cappella Choir, R. O. T. C., Camera Club, Basketball, Football, Gymnastics, Track, Band, and Orchestra.

Two former members are serving with the Navy and another, Joseph Weinstein, has received a scholarship to the University of Chicago.

With its span of recognition growing, 215 will build still a higher place among the divisions in the forthcoming year.

Division 219 is composed of thirty-two 3B students, for the most part from Jungman. Being new here at Harrison, we haven't had much time to get into activities. So far our intramural Baseball Team has won two out of three games, which isn't so bad for a starter.

Georgene Valas serves as Delegate and Camille Vozzella as Alternate. We boast two "H" girls; two R. O. T. C. members; two Orchestra members and one Boys' Chorus member. We were one hundred per cent for the thirty cent contribution fund and over one hundred per cent in the soap drive.

With Miss Gray as our division teacher, you'll be hearing from the class of June, 1946, so keep your eyes focused our way! By the way, we call ourselves the "Blue with Gray." Get it? We do.

Division 254 is an outstanding 3A group which has never faltered in living up to the high standards they set for themselves when they were Freshmen. They have won the admiration of all by combining good scholastic records with equally fine extra-curricular achievements. Four members are on the Football Team, four on the Track Team, two on the Bowling and Swimming Teams, and one on the Basketball Team. The Band and Orchestra claim two members each and they are represented in the Honor Society, R. O. T. C., and the choral organizations.

The outstanding accomplishment of their Junior year was the collection of 4,400 pounds of paper for the Scrap Drive. This feat gave them first place in the campaign.

Division 260 is a Junior division composed of "one swell bunch of kids", with Miss Courtney as their division teacher to guide them.

Some of the division representative are: Steve Baluk, 260's Football player who is on the Varsity Team, Mike Kalinowski, a member of the Swimming Team, and many boys who are Non-Commissioned Officers in the R.O.T.C. and Band. Irene Kochnuk is the division treasurer and under her leadership the stamp sales of 260 are very high. LaVerne Lamberg is the Social Laboratory delegate, and all the other girls are active in G. A. A. and as Hall Guards, Office Helpers, and Band members.

Watch 260, for you'll be hearing of them as Seniors.

Mrs. Donahue's division 308 is composed for the most part of Jungmanites. At Jungman Branch the boys won the Football, Basketball, and Volley Ball championships. The girls also were active in sports. Since attending Harrison we have won the Intramural Football Championship. Richard Przybylski and John Plazibat are on the Varsity Basketball and Football Teams. Ted Mayer is now our captain of our Intramural Basketball Team. The team regrets losing the help of Adam Gasper, who broke his shoulder playing Football.

We hope our interest in scholarship will increase until it equals our interest in sports. Those on our Honor Roll are: Marion Houlihan, Lucy Kalec, Marie Marchetta, Ted Mayer, and Dorothy Trumbetash.

We, the students of 317, are proud to be called upper classmen at last. The boys of our division have won the second year championship in both Football and Baseball. Ray Okonski hold 7th place in the Times Meet and 17th place in the Cross Country City Meet. Mr. Simon has great hopes of his being the Collegiate Miler of the city. Dolores Wachowski is the secretary of our division. Angeline Cribari is our room delegate and Nick Sasuta, our alternate, is also a sergeant in the R.O.T.C.

We are glad to have Miss Johnson as our very encouraging division teacher.

HALLIE I. MINOR

DIVISION 331

Division 331 was organized in February of 1943 with twenty-seven girls and it now consists of twelve boys and sixteen girls. It took some time for the boys to get acquainted with Mrs. Minor and her group of girls, since they had just come from an all boy division. Now we are a happy group of 2A's and hope we will be still happier as 4A's.

We are well represented in the R. O. T. C., Track Team, Orchestra, Band, Hall Guards, and the Choruses. The girls are one hundred percent behind the G. A. A.

We are proud of our achievements, and give our thanks to our one and only Mrs. Minor, who has helped us through thick and thin.

RUBY R. WARD

DIVISION 314

Sit yourselves down, fellow Harrisonites, and prepare yourselves for the following great revelation.

Pictured above is a host of the finest boys and girls in Harrison High. You may think that this is showing quite a bit of temerity. However, we think we are the finest and that is enough for us.

We were all born at one time or another, although this has never been certified. Therefore, suffice it is to say that we are a bunch of 3B's who are wondering what happened to those first two years. Of course, just like any other celebrated division rooms, we partake of the school's many activities with great gusto.

Our deity, Mrs. Ward, has been, and we say this without the slightest feeling of compunction for our candour, one of the best leaders and friends a group could have.

Our former division teacher, Mr. Bell, has left us to join the Navy and is now Lieutenant (j.g.). Although we miss him, our present division teacher, Mrs. Siewers, has taken over very nicely.

The division boys are very cooperative in both the Basketball and Track Teams. The names of these boys are: Reno Pellegrini, Glen Novotny, and Martin Mittelman.

The girls, Jennie Ochwatuk, Jeannette Wilcox, Blanche Piglowski, Mary Ciszek and Agnes Brendal are working in offices to earn their H's.

We also have two artists among us. Pauline Grantum and Thomas Fratto are now taking Advanced Art.

Division W. S. B. is also represented on the Honor Roll by Dorothy Rzonca, Florence Jencki, Helen Jerebich and Blanche Piglowski. Blanche Piglowski is our Division Delegate, Dorothy Rzonca our stamp collector, and Reno Pellegrini our Harrison Herald Delegate.

The sixteen girls and thirteen boys of the 3B division 228 have become known as go-getters during their stay thus far at Harrison. Under the able and earnest leadership of our division teacher, Mr. Roberts, we students of two-two-eight have freely participated in the various organizations and activities found at Harrison. We have also supported all national and local campaigns for worthy objectives. We are represented in choral groups, Concert Band, intramural tournaments, movie operators, Junior Basketball, Hall Guards, G. A. A., advanced art, Red Cross work, and we have several candidates eligible for the Honor Society.

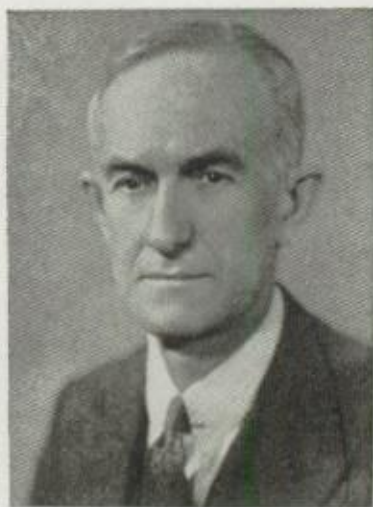

RALPH M. ROBERTS

We are proud of this fine record and we are determined to keep up the good work and thus maintain for our division a place of leadership in school activities.

Division 220 has taken an active part in school activities. We are among the leaders in Bond and Stamp purchases and we have donated generously to different collections.

Seven boys are in the R. O. T. C., one is in the Band, two are stage-hands, three are Hall Guards, two are in the Gymnastics Team, one is on the Track Team, one is on the Basketball Team and another is on the Swimming Team.

Our girls are active, too. Everyone is a member of the G. A. A., one is a Cheerleader, and five are Hall Guards.

Mr. Twining can well afford to be proud of his division.

Division 335 is now a 2B group and becomes more ambitious in their studies every year. We have Mr. Almlof guiding us until we have accomplished all our deeds.

Our boys have shown great ability in the athletic field. As 1A's they won the Volley Ball Championship. This fall they concentrated on Football and they made good in this also.

Our girls take interest in the soft sweet things of life and these are Music and Art. Many have joined the A Cappella Choir and some the Orchestra.

You will be hearing from us, because, with the inspiring guidance of Mr. Almlof, we will go forward.

We are Division A.S.A. and 2A's. Our lovely division teacher is Miss Jeanette La Giglia. Our division delegate is Gertrude Grow, and our G. A. A. delegate is LaVergne Meloun.

We are all Americans but can claim a variety of descents. Among them are: Czech, Russian, Polish, German, Spanish, Italian, Lithuanian, Slovakian, English, Irish, and Scottish.

Our division is proud to claim one of the Harrison Herald photographers, Philip Kovitz, and the Red Cross delegate, Gertrude Grow. We also claim a member of the Baseball Team, Stanley Freza, and the pianist for the Treble and Boys' Choruses, Anita Rutzky.

We are a happy group, who are constantly enjoying one another's companionship.

"Excelsior"—on to higher things—this is the motto of Division 120. We are represented in the Orchestra, Band, Treble Chorus, Choir, R. O. T. C., and Football Team and have fourteen students on our Honor Roll. Under the capable student leadership of the President Edward Michalicka, Vice-President Hyla Siegel, Secretary Helen Baer, and Treasurer Henry Dragich it has managed its own business.

We are indebted to Miss Page for her patience and guidance and owe much of our success in school to her. We have many plans for the future. With the co-operation of the class officers, Miss Page, and the students, we hope to achieve them.

Although Division 328 was very sorry to lose Mrs. Mary B. Denning as their division teacher, they were happy to be guided by Miss Olga Evanoff during their Sophomore year. They have several intramural championships and have contributed generously to the various drives, including those for soap, paper, bonds, and books. They have many members on the various athletic teams who have letters; some will receive their second letter this semester. Besides this, 328 has representatives in almost every organization in the school to which a Sophomore is eligible.

Our division members have won awards long before the division was formed, several members having won skating contests, scholarship awards, and other recognitions too numerous to mention.

Our happy Sophomore division is looking forward to its Junior and Senior years at Harrison.

We are proud of Jerome Broede, who has been awarded a medal for being the neatest cadet in his unit of the R. O. T. C.

Our class delegate is Henry Staniszewski and the alternate is Dorothy Douglas. Members of the Band are: Herbert Kwilinski and Adam Gagala. In the R. O. T. C. we have Jerome Broede, Anthony DeBartolo, and Melvin Solomon. Our one and only Choir member is June Rueter.

Mr. Taglia has done a marvelous job during Mr. Dukette's absence. He has maintained the standards of our division. We shall regret losing him when Mr. Dukette returns.

Now that we, the adolescents of 341, are full-fledged Sophomores we have resolved to display the same exuberant enthusiasm we had when razzed "Freshies."

Our school interests are varied: the girls are student helpers, Hall Guards, Treble Choristers and four diligent nurses aids. The boys are represented in the R. O. T. C., Harrison Baseball Team, Movie Operators, Harrison Basketball Team and the Band.

We most certainly purchase War Stamps and Bonds, and donate to charity funds, and paper campaigns.

We want 341 to be one of the most energetic divisions. Wait and see. 1947 will be a year of great accomplishments.

Division 251, under the leadership of Mrs. Helen Patton, whose aim is to participate in all school activities has succeeded one hundred percent.

The boys went out for Football this year and won Sophomore championship.

Members are represented in the G. A. A., Cheerleading, gymnastics, Football, Track, Volley Ball, R. O. T. C., Hall Guards, Movie Operators, Band, Orchestra, Boy's Chorus, Treble Chorus, and advanced art.

Our division consists of fourteen nationalities which have splendidly cooperated to make our division one of the best of Harrison High School.

DIVISION 332

Division 332 is a Sophomore group that still includes thirty of the original forty registrants of September 1943. It has representatives on the school Basketball, Bowling, Swimming and Track teams and participates in many activities such as intramural sports, G. A. A., musical groups, R. O. T. C., Herald and Harrisonian subscriptions, and stamp and bond purchases. Generous contributions usually follow any request or appeal for aid to the Red Cross, Children's Aid Society, Paralysis Fund, and other charitable organizations.

The students most active in establishing a high division ranking in intramural sports are: Irvin Neruda, Charles Danek, Alex Poremba, Sheldon Rashis, John Zemit, and Samuel Schiffman. The good time enjoyed by the division at the last Christmas party was due mainly to the efforts of Dolores Sotka, Lorraine Stachowska, Wanda Smok, and Margaret Zic, who made all the arrangements.

Division 332 has two Honor Rolls, one for scholastic excellence and one for perfect attendance, and under the influence of Mr. Lejeck expects to enjoy further successes in the future.

DIVISION 255

Division 255 is a group consisting of fifteen boys and sixteen girls, all of whom are interested in the activities of the school. Most of our girls are student helpers in 117, 109, 107, and 336, and they also help in the social room. The boys are members of various athletic teams, including the Baseball, Basketball, Football, Track, and Swimming Teams, and some of our girls are on the Bowling Team.

We came in second in the soap drive, and also contribute to the various drives, including the bond, book, and paper drives. Mrs. MacMillan has done wonderfully well in keeping our standards of school studies high. We are very grateful for all she has done for us, and we hope our division will continue to rise under her leadership.

JUNIA N. MacMILLAN

ALICE M. MCGREGOR

DIVISION 315

Division 315 is one of the most promising divisions at Harrison High. They're all Sophomores in 315—"wise fools" as the Greeks would say. "Wise" in the sense that the Intelligence Quotient of the members of Division 315 is rather high, "fools" only in the sense that we're foolish enough to fight for, to work for, to strive for the highest ideals set forth by our Alma Mater. If that can be called foolishness, we're foolish enough to be such fools.

We're tutored in such "foolishness" by one of the most charming, energetic, and popular teachers at Harrison, Miss Alice McGregor. With such a tutor and adviser, with leadership such as is evident in the accomplishments of many of the members in our division, and finally with a class and school spirit hard to beat or even equal, Division 315 is forging onward, hoping to be the best division at Harrison in 1945- 6 and 7.

DIVISION 311

We, the 2B's of Division 311, take particular pride in making a name for Harrison. We participated in the many drives given by Harrison. We buy War Stamps and Bonds regularly.

Our thirty-seven boys and girls take interest in the many activities Harrison has offered them.

Our division delegate, John Hejl, an efficient and loyal member, takes pride in his present position.

We have members in the following organizations: R. O. T. C., Basketball, Football, Band, Orchestra, Hall Guards, A Cappella Choir, Attendance Office, Social Laboratory, and Library Helpers. Our Girls are one hundred per cent in the G. A. A.

Under the guidance of our sympathetic and understanding division teacher, Miss Guinane, we hope to become one of the most outstanding divisions in Harrison High.

It is a great aim of 214 to be "on time all the time."

We, as Sophomore Division 227, have been working together to maintain the high standards of Harrison. We are well represented in the Choir, Band, R. O. T. C., Track Team, Basketball Team and Hall Guards.

A fine spirit of co-operation exists among the boys and girls of 227, and Miss Cappetta, our division teacher, is doing all she can to help us along the road to success.

Our Honor Roll is rising steadily. We have contributed our fair share to school activities such as the Herald, Red Cross, and the purchasing of War Bonds and Stamps.

Miss Morris is our supervisor and does her job well. The President of this Annex division is John Paulls, a cornet player in the Band. We have pupils in the Band whose names are as follows: Joe Scarcello, Art Zielinski, Frank Spizzirri, Frank Cosentino, and a few more. Also here are the Orchestra members: Violet Marecek, Adele Skokich, Joan Burian, Irene Homalka, Lucille Bonomo. Although our Football Team worked very hard for the Freshman championship, it ended the season with three games won, one tied and one lost. Our Basketball Team, however, still leads its section, having lost only one of five games.

The girls are striving for G. A. A. letters.

By collecting paper (almost a ton), buying War Stamps, and donating soap and Christmas tree ornaments, we are contributing to the war effort.

Nineteen dashing males, and fifteen glamorous femmes complete the roster of Division 224. In blissful harmony, this division has the ability of co-operating with Mr. Fletcher, their leader, and with one another. Promising to become high lights in the social field, they have seven candidates for the Honor Society.

In extra curricular activities, 224 has members who have performed with the Orchestra, R. O. T. C., and the Varsity.

Well, here we are, another load of green Freshies. We're composed of nineteen girls and nineteen boys rarin' to make good at Harrison under the supervision of Miss Harris. Already many of us have joined the Orchestra and Choir. We also have our Touch Football, Basketball, and Volley Ball Teams.

We have been buying Bonds regularly and have contributed generously to the Red Cross and other such organizations.

We are among those emeralds who entered Harrison in January, 1944. When we were a semester older and could proudly write, "342-1A", how grown-up we felt! Now, in a whisk, we shall be Sophomores, true gems with many facets, we hope.

In activities we hold membership in G. A. A., R. O. T. C., Band, Orchestra, Hall Guards, Red Cross. Our contributions, whether money, paper, soap, or spools, have been extremely generous. Our bond-buying, too, is creditable. No "Scotchies" here.

Our pet project is a division club, its purpose being to promote friendship and loyalty among us.

Enthusiastic Harrisonites we are, with Miss Helen A. McGarr guiding us along our way.

DIVISION L. R. I.

Just Freshies, we begin our High School careers with Mr. Crane as our advisor. We hope to make our presence felt at Harrison and feel that we have made a good beginning, having given co-operation in all the activities sponsored by our school during the past semester.

An outstanding individual among the new Freshies is our Don Rosenthal, who is one of the very few Freshies to be chosen for the Football Team. Next semester Andy Gorkis will play on the Football Team also.

Our division delegate is Don Rosenthal, with Donald O'Brien as alternate. The division president is Eugene Kaplan, the vice-president is Donna Pfolsgraf, the secretary is Don Rosenthal, and the Treasurer is Norma Komosa. Our division is not doing so bad scholastically either, since we have an E minus average.

ABBIE R. LUKENS

DIVISION L. R. II.

We're thirty-eight "Freshies" of Division LR 2 under the leadership of Miss Lukens.

We are proud of our twins, John and Eugene Kurash, and of Anna Romanoff, who won leadership in ice skating between the playgrounds last year and who hope to win again this year. We are proud also of Dolores Kowalski, who promises to be an outstanding student of Art, and of Jerry Zima, who is a second "Bing Crosby."

Our division room delegates are June Meyers and Alex Grunow who are "on the go" tending to business all of the ten minutes. All the girls are G. A. A. members, with Joan Sindelar and Shirley Coffey as delegates.

Our Girls' Volley Ball Team is headed by our honor student and gym helper, Lorraine Pietraszek.

We could go on and tell of our "Good Deeds," but we will let you see for yourself in the next three years.

Watch us go!

DIVISION 106

This Freshman division may rightly feel proud of its achievements during its few months at Harrison. It was the first 1B division to be one hundred percent in Harrison Herald subscriptions. Many members are in the Band and Orchestra. Five boys are in the R. O. T. C., and all the girls take an active interest in the G. A. A. with Gloria Wenchowski as the delegate and Dolores Horwath as the alternate.

The division did a marvelous job in waste paper collection, supporting Dolores Horwath of the division for "Fiesta Queen". Frank Masotto and Donald McNeil Jr. were movie operators. Antoinette Cebrat is a student helper in the office. Edward Uniejewski was successful in the Football try-outs and aspires to become a "pig-skin" hero. Therese David is the delegate to the Student Council, and Frank Masotto is the alternate.

We are very proud to be united one hundred percent in all our efforts. Truly may we say, "In union there is strength".

Our eighteen girls and twenty boys represent eighteen different nationalities, but Miss Kelly says that we are one in cooperation and sportsmanship. Everyone has contributed to the combined charities and subscribed one hundred per cent to the Harrison Herald. We were third highest in the soap drive. All of us save paper and purchase stamps or bonds on the home front, while many of our brothers, sisters, and fathers serve on the war front.

In athletics both girls and boys are Freshman "Champs" in their respective fields of Volley Ball and Basketball. Our division is well represented in Band and Orchestra. There are also several talented students who help to make our parties lively. We look forward to many good times as well as scholastic honors before graduating in 1948.

This group of Freshmen entered Harrison in September 1944, forty strong. Eighteen girls and twenty boys remain in the division. The members came from twenty-five different elementary schools and are of several racial backgrounds. The members have participated in several school activities. Four are members of the Band; one plays in the Orchestra; two boys are in the R. O. T. C., two girls serve as corridor guards; three boys are movie operators; and three girls assist in remedial English instruction. Thirteen girls are members of the G. A. A. Our boys have played in intramural Basketball and in Track events.

Three members of this division have made excellent scholarship records and have had perfect attendance during the first semester.

It is our expectation to improve this record during the rest of the year. Division 258 looks forward to four years of profitable companionship and development as loyal students of Harrison High School.

DIVISION
258

During the Freshman year, Division 313 has followed the policy of one hundred per cent cooperation and participation in Harrison's activities. We are proud of our record, for our room number has always been found near the top on any list of contributions.

We elected as our leaders: John Chockla, president; Genevieve Steiner, vice-president; Salvatore Mazzarella, secretary; and Elaine Mack, treasurer.

For high scholastic representation we place our hopes in: G. Steiner, B. Sir, D. Jankowski, B. Heidleberg, and J. Herzberger, whose names have been on the Honor Roll during the past year.

In athletics, Alphonso Marra and Louis Lashinsky, have received honorable mention, and perhaps they will win titles for both our division and Harrison High.

In the music field, K. Recu, R. Stevens, B. Sir, R. Purkart, and H. Smith, are promising band students, while T. Kozak, D. Jankowski represent 313 in the Girls' Chorus.

We are proud to be a part of the student body of Harrison and hope that Harrison will have just cause to be proud of us.

Division 333 has thirty-nine Freshmen who are striving hard to attain the goal the former students of Harrison have established.

We are already well represented on the Honor Roll of Harrison, and more are being added to the list each marking period.

We have done our best, by buying War Bonds and Stamps, to bring our boys all home again.

All our girls belong to the G. A. A. and take part in its activities.

The delegate of our division is Dorothy Dickshinski, and serving as alternate is Dorothy Picchetti.

We have many plans as students of Harrison and they include following the inspiration of our division teacher, Mr. Krupar. The first is to become the honor room of the school, but we have much work ahead of us before we achieve that goal.

DIVISION 333

Division Two-One-Two, the division under the sponsorship of Miss Gladys Nelson, will in time become one of the best divisions in the school. This class, which came to Harrison in September, 1944, is well set to carry on in most of the school activities. At the present time many of the division members are represented in the R. O. T. C. and the G. A. A. and other groups of the school. All the members want it to be known that, "Division Two-One-Two will be heard from today."

We hope Harrison will be proud of this division in the years to come.

We are Division 306, a group of eager Americans striving to bring honor to our Alma Mater. We have shown this in our eagerness to participate in all the events that we can. Our boys have gone out for athletics and other activities. Our girls have done Red Cross work and are ready, willing, and able when it comes to the G. A. A.

Yes, we are a group of eager Americans, striving for a better America through Education. Keep an eye on us, for we're bound to do good. We're Division 306.

Division 321! What a bright peppy bunch we are! Forty-one girls and boys started our careers under the inspiring and capable leadership of Miss Clara Thorndike. Soon Miss Thorndike was transferred to Austin. It was Austin's gain and our loss. Later Miss Gilda D. Robley took over the helm.

We have chosen as our motto "We Make the Most of What We Have."

Our class officers are: President, Velma Jacobs; Secretary, Evelyn Lach; Treasurer, Raymond Wierzbicki.

We are just Freshmen now, but watch us as the years go by. We're proud of Harrison, and we'll make Harrison proud of us.

September 8th, 1944, was an important day to us—we were entering the big Harrison Tech.

Forty-three strong were we—Techs, Generals and Commercial.

We came! We saw! and our Division Teacher, Miss Rae L. Horning, told us we could conquer!

So from the first day Room 337 has aimed to conquer by passing all tests; we've striven hard to get on the Honor Roll, too.

We support the Herald, and are represented in the R. O. T. C., Band, Orchestra, and G. A. A.

Division 121 is composed of students who have been in Harrison since February with Mrs. Hunter as our division teacher. Officers elected were: Wayne Kruk, President; Doris Africk, Vice-President; Dora Liebert, Secretary; and Marino Susini, Treasurer.

We try to participate enthusiastically in the school activities having students in Band and R. O. T. C. We have also vigorously supported the Scrap Drive, the Stamp and Bond sales, and the Red Cross.

We will try to carry on the tradition of the Hunter's Club whose former members are adding new honors to the name Harrison High.

The 1B students in Division 152 entered Harrison High School from fifteen different elementary schools. Charlotte Germanos, who was mayor and editor of the Chalmers School paper, received the American Legion Award when she graduated from grammar school. William Cardelli, who was cheer leader for Pickard Grammar School, is now a Hall Guard and a member of the Track Team.

Many of the division members are enrolled in extra-curricular activities: Richard Politowicz, in R. O. T. C.; Angeline Badowski, student library helper; Jeanette Biegel, Orchestra; Robert Borla, Track. Division Delegate, and Alternate, are Reno Toci, and Angeline Badowski.

Under the direction of Mrs. Grace Thrane, division teacher, the group has co-operated in all school drives and activities.

Thirty-one boys and girls entered Harrison's doors in January, 1945 with much eagerness and hope. Being assigned to Division 327, under the care of Mrs. Munson, they were much surprised when they were taken to the foods laboratory and told they were to meet there every morning, not to eat, but for their division period. Now the room has become home to them.

CECILIA M. MUNSON

Already, though only 1B's they have begun to participate in the school activities, some in the Honor Society, Orchestra, Band, Track Team, G. A. A., and as Hall Guards. So Division 327 has promises of becoming a live, up- and-coming division.

Ten girls and twenty boys comprise Division 328. Although they come from ten different grammar schools, the division members work together as though they had known each other all their lives. They are office helpers, movie operators and Junior Red Cross workers. They gave generously to the Red Cross collection and brought paper for the scrap drive. Just now their main interest outside school is the formation of a bowling team.

The division officers are: Delegate, John Pearson; Alternate, Richard Tousek; Secretary, Charlotte Horn; Harrisonian Rep., Stanley Mozina; Stamps, Louise Pazdiora; Room Chairman, Joyce Goehlich.

This fine group of boys and girls has come to Harrison from eleven different elementary schools. They are taking General, Commercial, and Technical courses.

They have tried to join as many activities as their programs permit, and have managed to participate in the following: Band, Orchestra, Choir, G.A.A., Hall Guard and Intramural Sports.

Under the capable leadership of Miss Kartanas, this division is trying hard to work its way up so that it may be recognized as an outstanding division in its Senior year.

Although they came from fifteen different elementary schools in Chicago, the Freshies of Division L. R. V. have quickly learned the value of working together as a unit and feel that the spirit of cooperation must not be overlooked. Even in these very early days of their high school lives, they have already expressed a vivid interest in many of the school activities, such as: Junior Red Cross, Scrap Paper Drive, Bowling and Swimming Teams, and Cheerleading.

They also have willingly offered their services as office helpers and movie operators. Such enthusiasm, we feel certain, will not go unrewarded.

Division 340, a 1B division, has a membership of thirty-six boys and girls with Miss Helen Bresee as the division teacher. Our delegate is Louis Grossi; the G. A. A. delegate is Angie Maratea, and the alternate Joan Stashwick.

For a Freshman class, our division is off to a good start. We have four members in the Band, we have purchased a large amount of defense stamps, and have collected over one thousand pounds of waste paper. Our Bowling Team, led by Angie Maratea, is called "The Freshies."

We hope to attain high honors for our school.

Division 262 is a Freshman division

We have in our division two boys, John Gaul and Edward Svoboda, who are members of the R. O. T. C. Ernest Grevich and Frank Lance are in the Band. Libby Brodsky is a member of the Orchestra and is an excellent pianist.

The following students are on the Honor Roll: Libby Brodsky, Florence Helfenbein, Elaine Storti, Edward Svoboda, Rose Taibl, Winifred Tucker.

We are one hundred per cent in Community Fund, have contributed fifty bars of soap and have bought \$152.20 worth of War Bonds and Stamps.

We are new to Harrison but we intend to keep up our school's tradition and to help maintain its place among the other top-notch schools.

Three cheers for Division 259, the pride of the Annex! We are a determined group of 2B's who will leave Harrison knowing we have done our best in promoting scholastic, social, and athletic endeavors.

Our division is represented in the R. O. T. C., Band, Orchestra, Gymnastic Team, and Cheerleaders. We are especially proud of Lois Manna, the captain of the Cheerleaders, and James Crapia, who has been awarded the Tribune's Outstanding R. O. T. C. Freshman Achievement Medal.

Our original "Freshy" group, along with seven students from 310, join in giving a big cheer for our inspiring teacher, Miss Burgess.

Stimson Airport

M. E. Giles,
School Sponsor

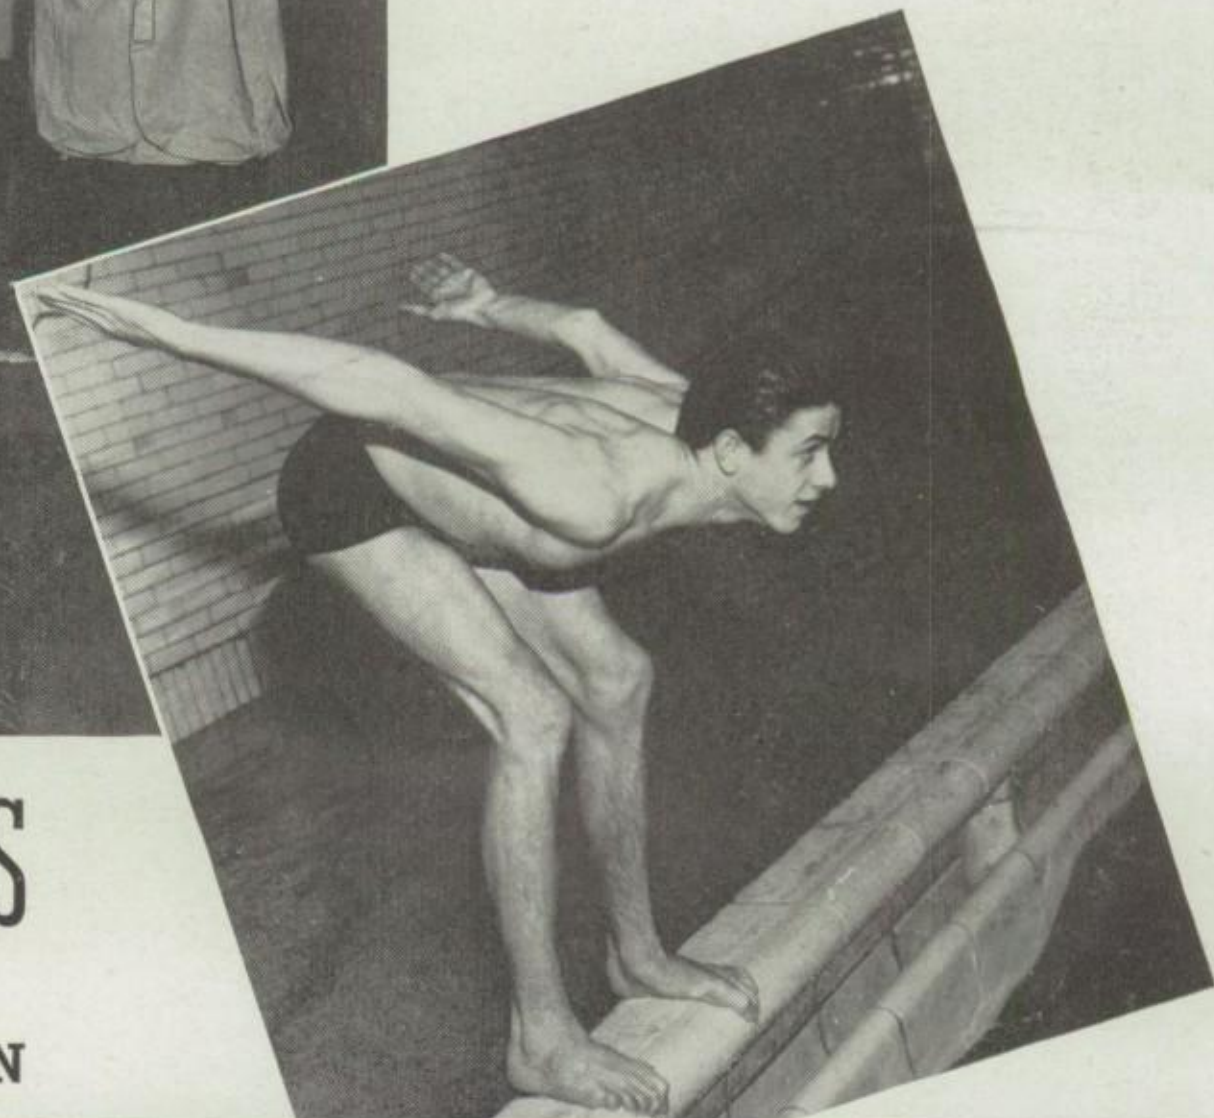

As cadet members of the Civil Air Patrol these students are receiving invaluable training in meteorology, aerial navigation, aerodynamics, and other phases of aeronautics. They study and fly with men who are members of an organization which is an auxiliary of the A. A. F.

These men have covered twenty-four million miles of over-water flying, sighted 173 enemy and allied submarines, and maintained a courier and target towing service for the army. After completing a study of the foregoing subjects, the cadet will have the most thorough preparation for military and civil flying that any of the youth of this country has ever had.

The Boys' Bowling Team, under the excellent sponsorship of Mr. Charles F. Krupar, has just rounded out its ninth year of competitive bowling.

As the popularity of bowling has rapidly increased, more boys have joined this active group, so that now eight teams are fighting for the championship. This year the teams have bowled for twenty-one weeks at Major's Recreation Center. The "Blitzkriegers" have won top honors for the season. The three single high scores are Postulka-244, Lasuk-236, and Wisniewski-236. They will be among the six men who will bowl for the City Championship in April. On March 17th the teams bowled for City Sweepstakes.

The Bowling Teams are proud to announce that they can add Grzetic and Kupina to their long list of service men.

FOOTBALL 1944

At the close of the 1944 Football season the Hornets, under the capable coaching of Mr. Robert Dougherty and his assistant coach, Mr. John Labant, held a fine record of six wins and two losses, finishing second in the West section.

ROBERT F. DOUGHERTY
Coach

At the opening of the season the team showed great defensive and offensive strength. Although losing to Mooseheart (13-7) the Hornets came back to defeat a strong Marshall eleven (7-6). Austin then nosed the Hornets out of first place (6-2) in one of the most exciting Austin-Harrison games ever played. The Hornets then went on to win their remaining games.

Next year's team looks to a fair season, and may they end their season in the grand style marked by previous Harrison teams.

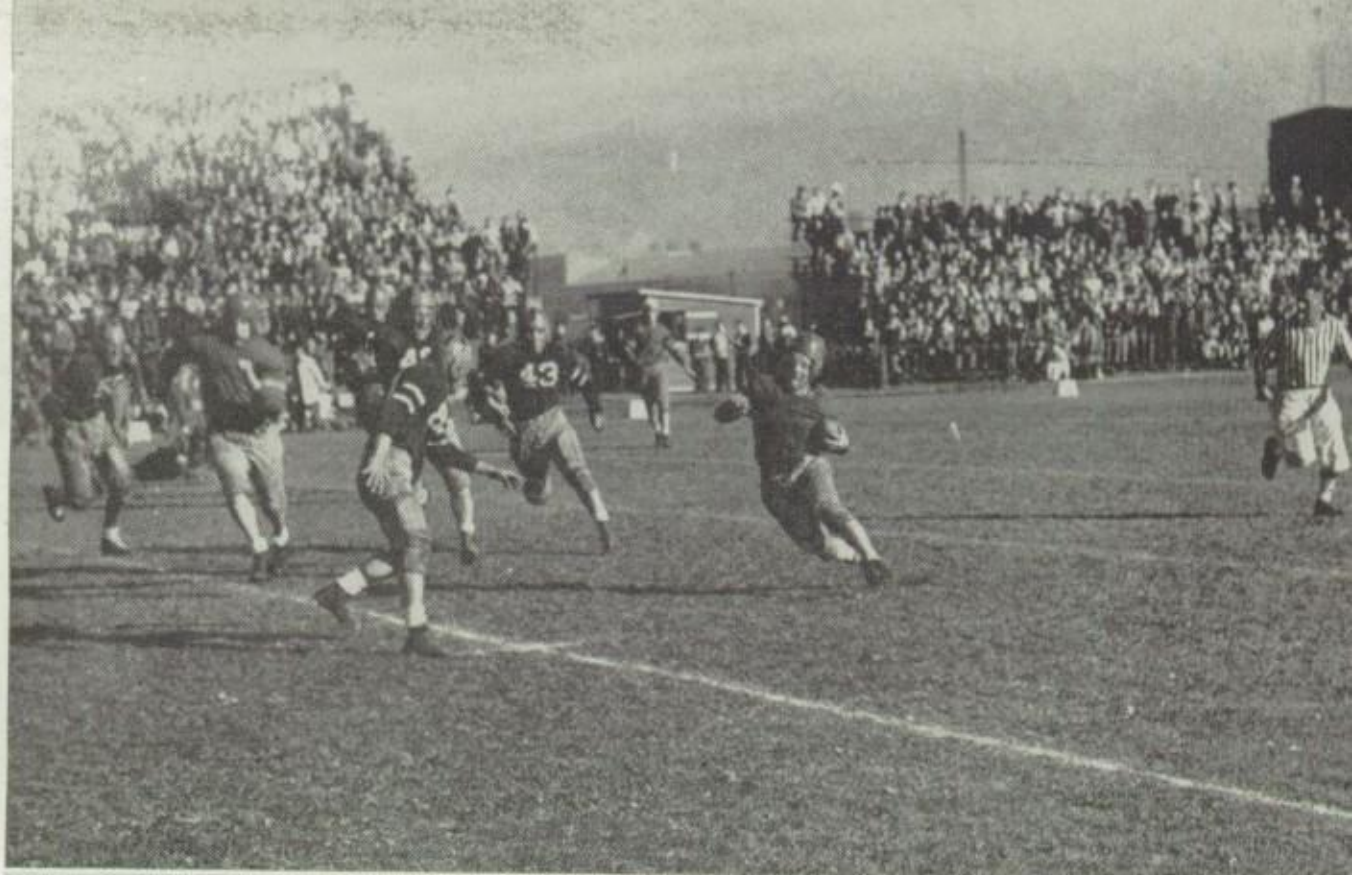

Harrison's red-headed dynamo, Mugavero, makes a spectacular end run against Austin!

Walt Gavelek, nimble-footed Harrison left end, catches a long pass in the thrilling Harrison-Austin game!

Mugavero again displays his ability in a smashing 5 yard gain against Austin!

Bottom Row: J. Fortuna, R. Prather, R. Weber, I. Schulman, J. Vlcek.

The Juniors of Harrison Tech are a fighting bunch, but due to the lack of experience they ran into several snags in a season set for victory.

The competition for the season proved too great for the team's strategists. Coach Labant set stress not on victory, but on building the team for next year.

The returning Juniors for next season are Florio, Lipensky, Soluch, Dickshinski and Napolitano. These men are working for victory in the coming season.

The old saying of, "If it rains it pours", stands true of the Harrison Basketball Teams. The Seniors, like the Juniors, have a group of new men who were working for experience and a future championship team rather than victory now. The Seniors will lose two of this season's squad, but all is not lost as such outstanding players as Fortuna, Suchanek, Schulman, Matejka, Stogis, and Koukl, are still left to uphold Harrison's Basketball record.

The "H" Club is composed of boys who have won at least one H at Harrison. While most of the members are recipients of athletic H's, students who have won their letter through other sources are equally accepted.

In essence, the "H" Club is a service organization whose purpose is to bring together those boys who have contributed valuable time and effort toward some phase of activity deemed essential to Harrison High School, and to its participants. This symbolizes the largest athletic organization in the school.

CHEERLEADERS

The Harrison Cheerleaders meet twice a week during the Football season, a half hour before school time to practice their yells. Their coach is Mr. Simon and the Captain of the team is "Mickey" Geppinger.

The girls had an opportunity to demonstrate their skill before a very successful Football Team that lost only one game, a "heart-breaker", to the city champions.

JOSEPH V. SIMON

A number of pep assemblies were held during the season and a great deal of the responsibility for their success was merited by the cheerleaders. They did a remarkably fine job. Cheers for them!

This year, the Junior Swimming Team consisting of thirteen men, is rising to new heights. With the help of their excellent coach, E. W. Libner, they are rapidly becoming one of the schools outstanding groups.

The Juniors participated in five Meets this year and they made fifth place in the All City Meet. The Junior Team work hand in hand with the Seniors and they receive excellent pointers from the Senior Team members.

Outstanding Junior Team members are: Zielke, Storto, Lordots, Moskiewicz, Pittman, Broede, Pazul and Manson.

The Harrison Senior Swimming Team under the excellent coaching of Coach E. W. Libner, is making new swim records for Harrison Tech.

The Seniors entered in five meets this year and they placed fifth in the All City Meet. Captain of its team, Gene Artemenko, placed first in the City Meet, also placed fourth in the State Meet. Artemenko is the star swimmer in the team and he gained more points for the team's credit than any other member.

When a girl is seen proudly wearing her G. A. A. Letter it should be known that in order to attain this high honor she must earn 1,000 points.

In order to obtain these points she must have participated in gymnasium class-work, school activities, individual sports, leadership, scholarship, and service; above all she must be a good sport. After a letter is earned she may go on earning points for her first and second chevron. Then, if enough points are earned she may receive a gold pin and afterwards earn the silver star which is set in the pin. This is the highest honor award after the letter is received.

All these traits compiled, place a distinctive honor upon those whose privilege it is to wear the G. A. A. letter.

The G. A. A. Bowling teams have been meeting regularly each week at Major's Bowling Alley. Since the above picture was taken the number of girls has increased to almost one hundred. Because of their enjoyment and interest in bowling, a tournament was held. Each team has chosen a name and captain.

In view of the fact that some of the girls were just learning to bowl, handicaps were provided. This gave a fair chance to everybody. Through Miss Dorothy L. McHugh's guidance it was a great success.

The G. A. A. Board is made up of the officers and chairmen of the various committees who meet one day a week in order to decide the future activities in which the G. A. A. will take part.

The highlights of the year include: Frosh Get Together, Hayride, Dance, and the annual Christmas Party.

Eager to do its part in furthering the war effort, the Board has sponsored a Merchant Marine Book Drive, and has arranged for the patients of the Vaughan General Hospital to be presented with decks of playing cards with which to pass the time.

To keep the Harrison G. A. A. among those listed as "the best" is the ultimate aim of the G. A. A. Board.

To the girls in white much credit is due. These girls who help in the gym must receive an E or an S in Physical Education. Their duties are simple and easily performed. Attendance and checking make-ups are their chief duties. The student helpers also aid in teaching the physical exercises.

To the girls who are interested in receiving points for the G. A. A., this is a fine opportunity. Approximately twenty-five points are given to each girl who devotes her study periods to help in the gym.

Miss Harris is the sponsor.

TRACK TEAM

The Track Team began the 1945 season with a dual meet with Farragut and expect to follow a heavy schedule by competing with Marshall, Morton, Crane, Schurz, Austin, University High, and Du Sable. The squad will also enter the C. A. A. Meet, Chicago Daily News Relay, and Oak Park Relays during the indoor season.

The outdoor season will repeat the above schedule and have additional competition with Proviso, Wheaton, and State Meet.

The prospects this year are unusually good. Bill Barreuther, a co-captain, is one of the outstanding 440-yard-runners in the city. Plazibat is the high jump champion. Kobrinetz has shown phenomenal speed in dashes and will probably take the city title. Novotny and Pellegrini are two of the best pole vaulters in the city. Stark and Schulman were the finalists in the low hurdles in 1944 and will repeat as Juniors this year.

Briefly, other outstanding performers are: Beran, Riendeau, Prychitko, Okonski, Zemit, Kotrba, Franckowiak, Zitko, Feigenbaum, and Greenberg.

CROSS COUNTRY TRACK

The Harrison Cross-Country Team finished in the runner-up championship position in the city annual cross-country run.

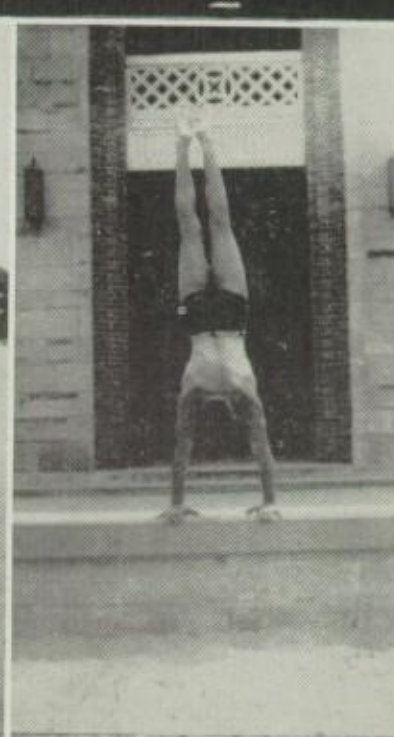

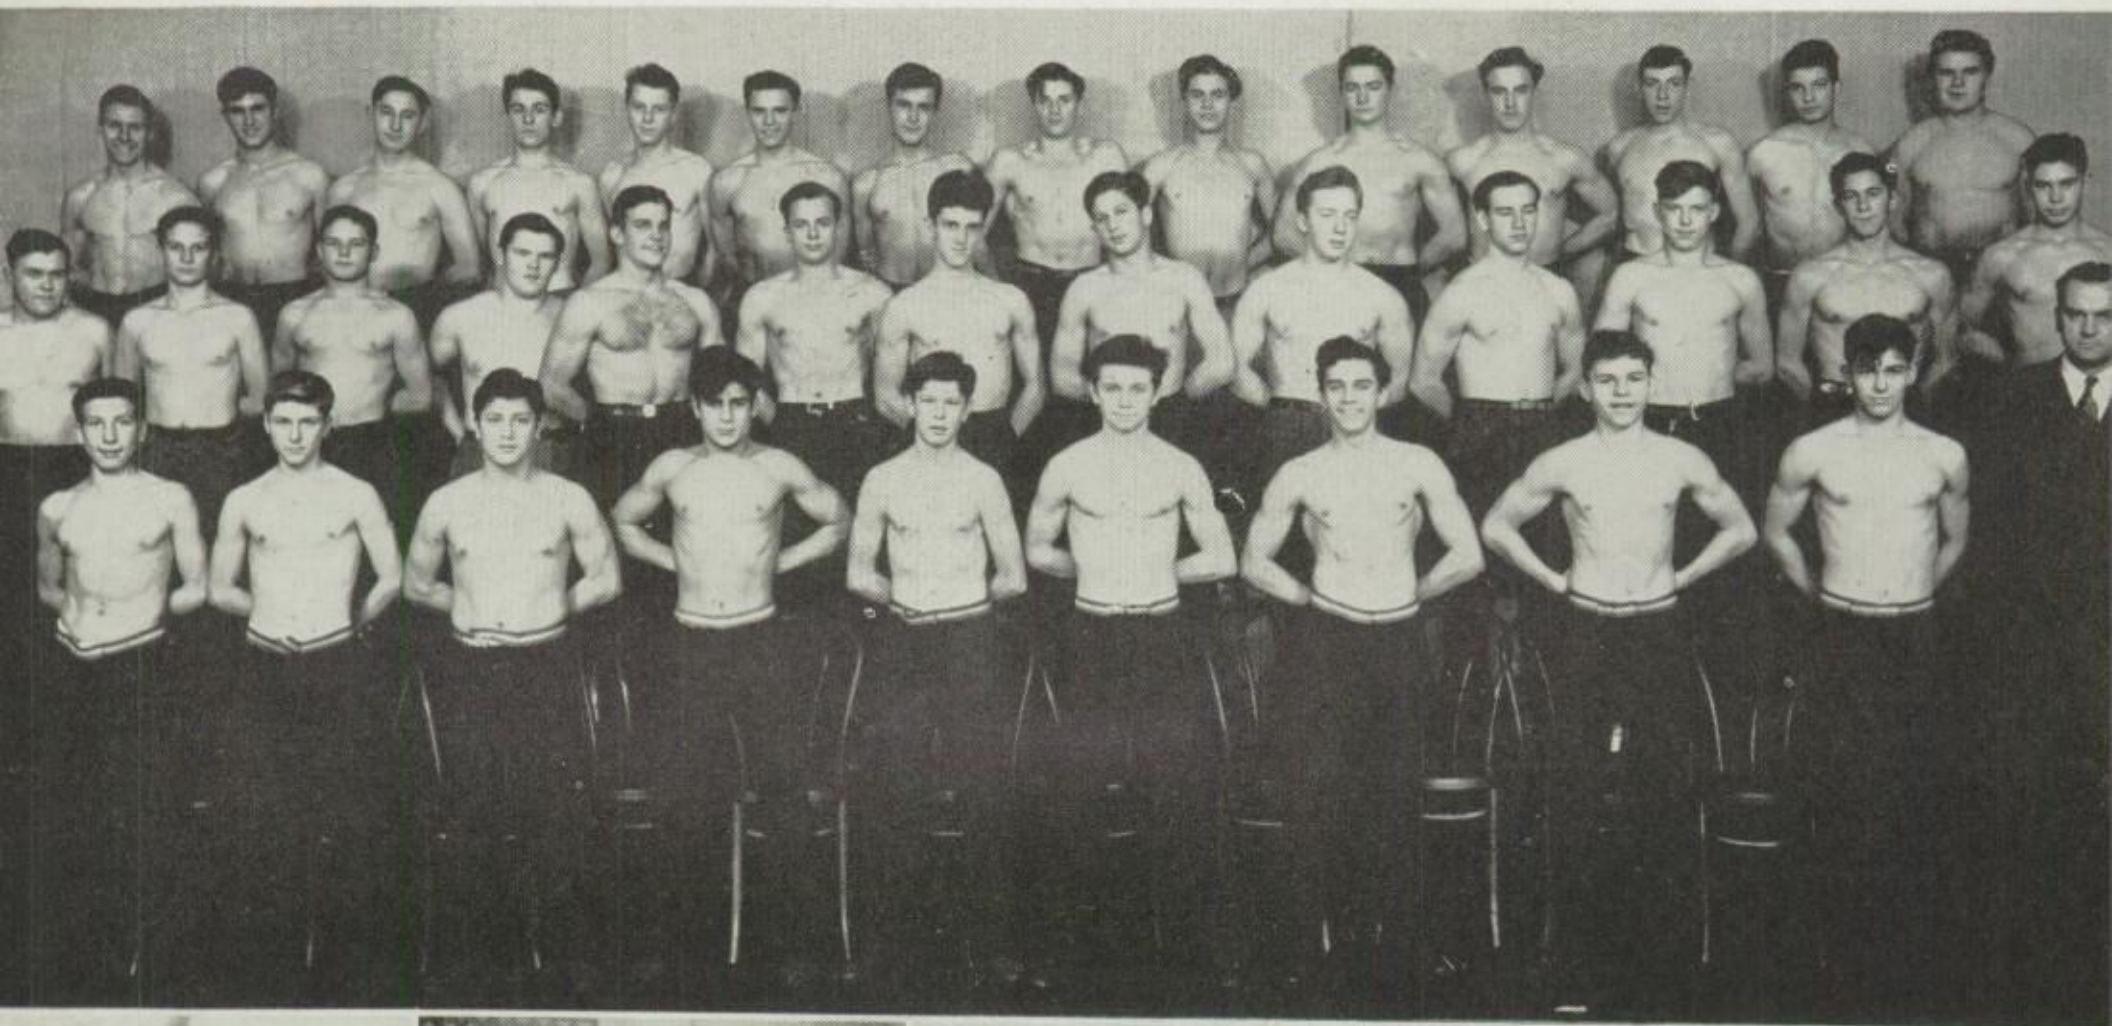

Coach Simon had only one veteran on the squad, Jakopchek, but in spite of the handicap, the material which turned out did better than he had expected. Since the boys who showed up so well were mostly Sophomores, the coach is looking forward to next year's annual report with high expectations for a city championship.

The outstanding members of this years squad were: Stark, Jakopchek, Prychitko, Okonski, Zemit, Cromaz, Chovanec, Riendeau, Wegloski, and Nemec.

GYMNASTICS

JOSEPH V. SIMON

If one should step into the large gym 5-2 period, one would get an idea of what is meant by "men working" for at that time the "muscle men" of Harrison are very busy doing hand balancing, giant swings and fly-aways on the horizontal bar, hand stands, back and front rolls on the parallel bars, and other similar stunts on other apparatus.

The Harrison Gymnastic Team consists of fifty-five members. They compete in three divisions-championship, intermediate, and novice.

Colby is the captan of the team. His ambition and enthusiasm will help the team in finishing on top when the final city-wide contest is held during the middle of April.

Top Row: Coach Smilgoff, Soucek, Lasuk, Lesniak, Bednarchik, Gorkis, Stock, Koukl, Bartusiak, Munyer.
 Middle Row: Freza, Marek, Vesely, Manchef, Zubeck, Hajek, Goluch, Gorkis.
 Bottom Row: Antczak, Wisniowicz, Lach, Oksner, Bik, Nauheimer, Tabicz, Gotfryd.

BASEBALL 1945

At this writing the baseball season is as yet unopened. However, the team has been working indoors, and should present a fairly strong line-up to the opposition. Returning veterans are Gorkis, Antczak, Bednarchik, Marek, Zubeck, Stock, Vesely, Lach, Gotfryd, and Lesniak.

JAMES SMILGOFF

This year's team lost two veterans to the service, Kupena and Somrek. However, in spite of this great loss, we hope to maintain our position as a constant championship threat, and repeat our successes of 1942 and 1943, when we were city champions.

CHARLES O. CARLSON

ENGINEER-CUSTODIAN

During the year 1944-45, in addition to his regular responsibilities for the care, maintenance, and heating of a large high school building such as Harrison, Mr. Charles O. Carlson, Engineer-Custodian, has supervised the beginning of the reconstruction and repair of the swimming pool, lockers, and the school in general.

Mr. Carlson and his staff extend to the Seniors their sincere congratulations and wish to express their good will for the success of these graduates.

THE LUNCH ROOM

"GOOD FOOD IS GOOD HEALTH"

The past semester has been uneventful as to anything new in the way of equipment, but we have been surprisingly fortunate in regard to food supplies. While the daily menu has not had the variety we usually offer, the quality of materials to make up well balanced meals has been adequate for all demands.

Our government is interested in the proper feeding of its citizens and we are endeavoring to serve our patrons a lunch that is wholesome and balanced according to specifications. Mr. F. O. Washam, Director of School Lunch Rooms, has been increasing in his efforts to keep the ball rolling regarding a continuous flow of food stuffs into the Chicago schools and we owe him a vote of thanks for his success.

We are campaigning for a united effort by the student body to keep our lunch room neat and clean. We extend our thanks to Principal Louis F. Brook, the Harrison faculty, and to Mr. Charles O. Carlson and his engineering department for their cooperation in this endeavor.
